This report must be completed and filed with your Nebraska Tobacco Products Tax Return, Form 56, even if you did not sell any RYO tobacco this tax period.

Check DOR's website for the Directory of RYO tobacco products that are approved for sale in Nebraska.

Instructions

Column A. Print the name of the supplier from whom your company purchased each brand family of RYO tobacco that was reported on your Nebraska Tobacco Products Tax Return, Form 56, and sold to customers in Nebraska.

Column B. Print the brand family name of the RYO tobacco sold in Nebraska.

Column C. Enter the total number of ounces of RYO tobacco products by brand family that your company reported on Form 56 and sold in Nebraska.

Convert the number of ounces to equivalent cigarettes by dividing ounces by .09. Round to the nearest equivalent cigarette for each RYO tobacco product. Round up if the calculation results in a decimal equal to or greater than .50. Round down if the calculation results in a decimal less than .50. For example, if the calculation results in 951.57, round up to 952.
