September 2014

This 2013-2014 Report of State Aid to Local Subdivisions was prepared by the Nebraska Department of Revenue pursuant to [Neb. Rev. Stat. § 77-1704.01](#) for distribution to Nebraska taxpayers.

Section One contains a schedule for all 93 counties listing the local subdivisions receiving state aid. Each schedule includes the total amount of property taxes levied in 2013 for collection in 2014, and the amount of general fund aid from state sources for FY 2013-14. Only the subdivisions required by statute are listed. Total property taxes levied are total property taxes including amounts reimbursed under the homestead exemption program. The total for each county receiving funds is listed separately on each county's schedule. State aid totals for local subdivisions that overlap into more than one county are listed on the schedule for the county in which they are headquartered.

Section Two includes a tabulation of specific aid programs funded by the Legislature from state revenue sources, and a summary of state aid paid to local subdivisions in each county.
