

Paid tax preparers who filed more than 25 Nebraska individual income tax returns in 2023 must electronically file (e-file) all of the Nebraska individual income tax returns they prepare in 2024. Taxpayers may request a tax preparer to not e-file a return by signing this form.

Do not mail this form to the Nebraska Department of Revenue. The paid tax preparer should keep the signed Nebraska E-file Opt-Out Record for Individuals for a period of at least three years after the due date of the return.
