What's New?

In response to rising instances of identity theft and in an effort to reduce refund fraud, the Department has implemented fraud detection and verification processes designed to protect all taxpayers filing Nebraska returns. These steps may increase the amount of time needed to process income tax returns and issue tax refunds. The Department is committed to safeguarding taxpayer information and to processing tax returns as efficiently as possible. Please allow a minimum of 30 days to receive your refund if you e-file an error-free return. For paper returns, please allow a minimum of three months to receive your refund if you file an error-free return. Your refund will generally be issued by July 15, if your return is filed by the April 15th due date. See our [website](#) for additional information.

[Nonrefundable Credit for Employing a Member of a Family that Received Temporary Assistance for Needy Families \(TANF\), LB 774 \(2016\)](#). Beginning with tax year 2017, LB 774 provides a nonrefundable income tax credit equal to 20% of an employer's expenditures on eligible employees for tuition at Nebraska public institutions for postsecondary education, the costs of a high school equivalency program, and transportation of eligible employees to and from work. The credit may be claimed for two (not necessarily consecutive) tax years. See instructions for line 25, Form 1040N, and our [website](#) for additional information.

[Refundable Individual Income Tax Credit for Volunteer Emergency Responders, LB 886 \(2016\)](#). Beginning with tax year 2017, qualified active volunteer emergency responders, rescue squad members, and firefighters may receive a refundable income tax credit equal to \$250 beginning with the second taxable year in which the qualified active volunteer is included on a certified list.

[School Readiness Tax Credit, LB 889 \(2016\)](#). The act provides two separate income tax credits beginning with tax year 2017, a nonrefundable income tax credit to persons who own or operate an eligible child care or education program, and a refundable income tax credit to staff members who are both employed with an eligible program for at least six months during the taxable year, and are classified in the Nebraska Early Childhood Professional Record System. See instructions for lines 26 and 37, Form 1040N, and our [website](#) for additional information.

[Facilitating Business Rapid Response to State Declared Disasters Act, LB 913 \(2016\)](#). See our [website](#) for additional information.

Important Information For All Nebraska Filers

Complete Your Federal Return. Your federal return must be completed before starting your Nebraska return. This information is needed to complete your Nebraska return.

Complete Only the Lines on [Nebraska Individual Income Tax Return, Form 1040N](#), That Apply to You. If a line does not apply to your filing, please leave the line blank.

Enter All Amounts as Whole Dollars. Do not include cents on the return or schedules. Do not change the pre-printed zeros in the cents column of the Form 1040N. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Federal Forms W-2, W-2G, 1099-R, and 1099-MISC. A form should be sent to you by your employer or payor by February 15. **If you have not received the form by that date, you should immediately contact your employer or payor. Please verify that all information on these forms is correct, including the Social Security number.** If the information on these forms is incorrect, obtain a corrected form from your employer or payor. A corrected form should be clearly marked "Corrected by Employer/Payor." If a wage and tax statement is lost or destroyed, request a substitute copy clearly marked "Reissued by Employer."

Balance Due. Any balance due must be paid in full with your return. All taxpayers are encouraged to make their tax payments electronically. There are many electronic payment methods available. Several software products offer the option of an electronic funds withdrawal (EFW) allowing you to schedule your payment when you file your return. Other options include the Department's e-pay system and paying by credit card. Electronic payment is fast, secure, and easy. See the Department's [website](#) for additional information about all available electronic payment options.

Use Tax. Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid to the retailer. This often occurs when making purchases over the Internet or from out-of-state retailers. See the [instructions for line 41, Form 1040N](#).

Due Date. If the due date falls on a Saturday, Sunday, or legal holiday, you must file your return by the first business day after the 15th day of the fourth month. This year, the federal Emancipation Day holiday is being observed by the federal government on Monday, April 16, 2018. Because Nebraska is required by law to follow the federal due dates, the deadline for Nebraska returns has also been extended to Tuesday, April 17, 2018.

[More info . . .](#)

Penalty and Interest. Either or both may be imposed under the following circumstances:

1. Failure to file a return and pay the tax due on or before the due date;
2. Failure to pay the tax due on or before the due date;
3. Failure to file an amended Nebraska income tax return to report changes made to your federal income tax return; [More info . . .](#)
4. Preparing or filing a fraudulent income tax return; or
5. Understatement of income on an income tax return.

The interest rate for any unpaid tax is 3%, and is calculated from the original due date of the return, even if an extension of time to file is granted.

A Nebraska Extension of Time. The Department accepts the federal extension of time to file. It is only necessary to file a Nebraska extension of time if you are making a tentative tax payment or when a federal extension is not filed. A six-month extension to file Form 1040N may only be obtained by:

1. Attaching a copy of a timely-filed Application for Automatic Extension of Time to File U.S. Individual Income Tax Return, Federal Form 4868, to the Nebraska return when filed;
2. Attaching a schedule to your Nebraska return listing your federal confirmation number and providing an explanation that you received an automatic federal extension by making a payment of your federal estimate of tax due using a credit card;
3. Filing a [Nebraska Application for Extension of Time, Form 4868N](#), on or before the due date of the return, when you need to make a tentative Nebraska payment or when a federal extension is not being requested; or
4. Attaching a copy of the statement or letter submitted with your federal return requesting the automatic extension of time to file for a U.S. citizen residing outside the U.S. or Puerto Rico, to the Nebraska return when filed.

If you have an authorized IRS tax preparer e-file your return, Nebraska will grant you an automatic extension to file. If you e-file your own return using software you have purchased or accessed from the Internet, you will be required to mail in a Nebraska Form 4868N. See number 3 above for further instructions.

Note: If you have a combat zone-related or contingency operation-related extension, see the Department's website for [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

If the extension documentation is not attached, a late filing penalty may be imposed. Any tax not paid by April 15 is subject to interest. An extension of time cannot exceed a total of six months after the original due date of the return.

Estimating Your 2018 Income Tax. The [2018 Nebraska Individual Estimated Income Tax Payment Vouchers](#) booklet is available on the Department's website or you can contact the Department. You are encouraged to make estimated income tax payments using the Department's [e-pay](#) system or using the EFW option when e-filing your 2017 Nebraska return. The EFW option is offered by many software products.

Estimated Income Tax Payments and Penalty for Underpayment of Estimated Income Tax. You may owe a penalty if your estimated income tax payments did not total at least:

- ◆ 90% of the tax shown on your 2017 Nebraska return; or
- ◆ 100% of the tax shown on your 2016 return; or
- ◆ 110% of the tax shown on your 2016 return if AGI on the return was more than \$150,000; or, if your filing status is married, filing separately, more than \$75,000.

See the [Individual Underpayment of Estimated Tax, Form 2210N](#), instructions.

An individual who did not pay enough estimated income tax by any of the applicable due dates (April 15, June 15, September 15, and January 15), or who did not have enough state income tax withheld, will be assessed a penalty. This may be true even if you are due a refund. The underpayment penalty is calculated separately for each installment due date (four equal and timely payments). You may owe a penalty for an earlier payment that was due, even if you paid enough estimated income tax later to make up the underpayment.

See the Department's website for: [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

Disasters. Taxpayers impacted by a federal disaster declaration should note the declaration at the top of the form when filing a paper return. Taxpayers should identify the specific disaster by writing the name of the disaster at the top of the paper return. Taxpayers who e-file returns can use their software's "disaster" feature, if available.

Active Duty Military Servicemembers. Your active duty military pay is taxed only by the state where you are a legal resident. Your place of legal residence at the time of entry into the service is presumed to be your state of legal residence. Your state of legal residence stays the same until it is established in another state. Moving to a new location for a limited period of time, including a permanent change of station, does not change your legal residence. Nebraska income tax is imposed on the total federal adjusted gross income (AGI) of a Nebraska resident who is a member of the uniformed services, regardless of where the income is received.

Check the box "Active Military" on [Form 1040N](#) if you or your spouse were active military servicemembers at any time during the tax year (including National Guard or Reserve personnel called to active duty). Taxpayers receiving combat pay have the same extended due date for filing a Nebraska return as for the federal return.

Military pay received by a nonresident servicemember stationed in Nebraska is not subject to Nebraska income tax. Other income derived from Nebraska sources by a servicemember, such as income earned from a separate job not connected with the servicemember's military service, is subject to Nebraska income tax. See special [instructions for line 22, Nebraska Schedule I](#).

The federal Servicemembers Civil Relief Act provides that Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in Nebraska only in support of the servicemember. A Nebraska resident servicemember's spouse, who is also a Nebraska resident and who works and resides in another state, is required to file a Nebraska income tax return. More information is available in the [instructions for line 22, Nebraska Schedule I](#), and [line 1, Nebraska Schedule III](#), or on the Department's website.

Foreign Income. Income earned by a Nebraska resident while living in another country is taxable by Nebraska when the taxpayer maintains Nebraska residency.

More info . . .

Deceased Taxpayer. A deceased taxpayer's spouse, personal representative, or other person may file and sign a return for a taxpayer who died before filing a 2017 return. A personal representative is an executor, administrator, or anyone else who is in charge of the deceased taxpayer's property. Additional documentation will be required when claiming a refund on behalf of a deceased taxpayer, unless the deceased is your spouse with whom you are filing as married, filing jointly for this tax year.

"DECEASED" must be written across the top of a paper return and the taxpayer's name and the date of death must be shown in the space provided. See additional instructions for deceased taxpayers in the "How to Complete your Form 1040N" section of these instructions on page 6.

More info . . .

Fiscal Year Returns. The taxable year used for Nebraska must be the same as the taxable year used for federal income tax purposes. For fiscal years beginning after January 1, 2017, the [2017 Nebraska Tax Calculation Schedule or Tax Table](#), and [Nebraska Additional Tax Rate Schedule](#) must be used without adjustment.

Due Date for Fiscal Year Returns. The due date for a fiscal year return is the 15th day of the fourth month following the end of the taxable year.

Refer to [instructions for line 29](#), Form 1040N, for additional information on a fiscal year taxpayer claiming the income tax withholding credit.

Taxpayers filing fiscal year returns may not e-file their Nebraska return.

Who Must File?

A Nebraska resident who:

- ◆ Is required to file a federal return reporting a federal liability; or
- ◆ Has \$5,000 or more of net Nebraska adjustments to federal AGI including non-Nebraska state and local bond interest exempt from federal tax (see Nebraska Schedule I instructions).

A partial-year resident or a nonresident who:

- ◆ Has income derived from or connected with Nebraska sources.

Definitions

Domicile. Domicile is the place an individual has his or her permanent home. Even if the individual is absent at times, domicile is the place where the individual intends to return. Actual residence is not necessarily domicile. An individual establishes domicile in Nebraska on the date he or she arrives in the state for other than temporary or transitory purposes. Once domicile is established, it remains the individual's domicile until it is abandoned. Domicile in Nebraska is abandoned when an individual leaves the state, abandons the Nebraska domicile with no intention of maintaining his or her true, fixed, and permanent home in Nebraska; and establishes a domicile in another state while present in the other state for other than temporary or transitory purposes.

Partial-Year Resident. A partial-year resident is an individual who is a resident for part of the year, but less than the entire year. To be a partial-year resident, a taxpayer must change domicile during the year, either moving into or out of Nebraska.

Permanent Place of Abode. A permanent place of abode is a dwelling place permanently maintained by the taxpayer, whether or not it is owned by the taxpayer. A dwelling means a house, apartment, room, or other accommodation including those used for vacation purposes, suitable for human occupation. It does not include a vacation camp, cottage, or dwelling place occupied only temporarily.

Resident. A resident is an individual whose domicile is in Nebraska, or an individual who is physically present in this state and maintains a permanent place of abode within this state for an aggregate of more than six months. Nebraska residency will be determined by Nebraska law. If an individual maintains a permanent place of abode in Nebraska and is present in Nebraska for at least 183 days during the tax year, that individual is a Nebraska resident even if domiciled in another state. For this purpose, Nebraska considers any part of a day spent in Nebraska as a day spent in the state.

For additional information, refer to the [Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide](#) on the Department's website.

How to Complete your Form 1040N

Name and Address. When filing a paper return, enter or clearly print your name and correct mailing address information in the spaces provided. Include your spouse's name if filing a joint return.

Social Security Numbers. You must enter your Social Security number (SSN) or Individual Tax Identification Number (ITIN) on the form in the boxes indicated. Include your spouse's SSN or ITIN if filing a joint return.

The Privacy Act of 1974 provides that when the Department asks you for your Social Security number (SSN), you must first be told of the Department's legal right to ask for this information, why the Department is asking for it, and how it will be used. The Department must also tell you what would happen if it is not received and whether your response is voluntary, required to obtain a benefit, or mandatory under the law.

The legal right to ask for the information is [Neb. Rev. Stat. § 77-27,119](#). This law says that you must include your SSN on your return. Your response is mandatory under this section. The SSN is needed to properly identify you and process your return and other documents.

Public High School District Data. All residents and partial-year residents domiciled in Nebraska on December 31, 2017, must enter the high school district code where you are domiciled (permanent residence). This information is also required if you reside outside Nebraska but are still domiciled in Nebraska. Nonresidents or partial-year residents not residing in Nebraska on December 31, 2017, do not enter a high school district code. This information is required by law to assist the Nebraska Department of Education in determining the state aid for Nebraska's K-12 public school systems.

Farmer/Rancher. Farmers or ranchers deriving at least two-thirds of their yearly gross income for the current or previous tax year from farming or ranching must check the box "Farmer/Rancher" below the SSN block. A farmer or rancher who files the 2017 Form 1040N and pays the Nebraska income tax due on or before March 1, 2018, is not required to make estimated income tax payments during 2017; otherwise, the entire amount of estimated income tax must be paid by January 15, 2018. If you file or pay after March 1, 2018, you will be assessed a penalty for failure to properly pay estimated income tax. An extension of time cannot be used to extend the March 1 filing date.

Active Military. Check the box "Active Military" below the SSN block only if you or your spouse were on active military duty status at any time during 2017. This includes National Guard/Reservists called to active duty during 2017.

Deceased. If the taxpayer or spouse is deceased, enter the first name of the deceased person and the date of death in the space provided.

- ◆ A **Surviving Spouse** filing for a deceased taxpayer’s refund must:
 - Write “surviving spouse” in the signature block if you are filing a paper Form 1040N for the deceased. No further documentation is required.
- ◆ When a court-appointed personal representative files an original or amended return on behalf of a deceased person, he or she must attach a copy of one of the following with the completed and signed Form 1040N or 1040XN:
 - The court order showing proof of appointment (Letters of Appointment); or
 - A copy of the probated will.
- ◆ Other persons requesting a deceased taxpayer’s refund should complete a [Statement of Person Claiming a Refund Due to a Deceased Person, Form 1310N](#), and attach one the following:
 - Death certificate (need not be certified); or
 - Formal notification from the appropriate government office (for example, Department of Defense, Department of Health and Human Services, or Department of State) informing the next of kin of the deceased person’s death.

Line 1

Federal Filing Status. Your Nebraska filing status is the same as your federal filing status.

There is an exception for married, filing jointly taxpayers where one spouse is a Nebraska resident and the other spouse is a nonresident or partial-year resident of Nebraska. These taxpayers may elect to file either a married, filing jointly return (both spouses are taxed as residents) or married, filing separately returns with Nebraska.

If you file a married, filing separately return for Nebraska, it must be calculated as if a married, filing separately federal return had been filed. The married, filing separately income, deductions, and exemptions must be used. The spouse’s SSN and name must be entered on the married, filing separately line.

Nonresident military servicemembers should review line 22, Nebraska Schedule I instructions.

Line 2a

Check the appropriate boxes if, during 2017:

Box 1. You were 65 or older (taxpayers born before January 2, 1953);

Box 2. You were blind;

Box 3. Your spouse was 65 or older (taxpayers born before January 2, 1953); or

Box 4. Your spouse was blind.

Line 2b

Check the appropriate boxes if someone, such as a parent, can claim you or your spouse as a dependent on their return.

Line 3

Type of Return. Check the appropriate box if, during 2017:

Box 1. You were a resident;

Box 2. You were a partial-year resident; or

Box 3. You were a nonresident.

Partial-year residents must also complete dates of residency. Nonresidents and partial-year residents must complete and attach [Form 1040N, Schedule III](#), even if all income is earned in Nebraska. If one spouse is a full-year resident and the other is a nonresident or partial-year resident, and they elect to file a married, filing jointly return, a resident return must be filed and Schedule III cannot be used. For additional information, refer to the [Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide](#) on the Department’s website.

Line 4

Nonresidents and partial-year residents must include your total federal AGI on line 5, Form 1040N, not just your Nebraska source income. (For instructions on what lines to use from the other state's return, refer to the Conversion Chart on the Department's website). A separate Schedule II must be completed for each state. Nebraska law does not allow credit for taxes paid to a foreign country or its political subdivisions. Dual state residents must refer to the Conversion Chart instructions to properly calculate tax paid to another state.
Line 20		Credit for the Elderly or the Disabled. Residents enter line 32 of Federal Form 1040A, or the amount of Credit for the Elderly or the Disabled included in line 54, box C of Federal Form 1040. Your income tax refund may be delayed if the business entity that distributed the Form 3800N credit to you has not filed its entity income tax return.
Line 23		Nebraska Child/Dependent Care Nonrefundable Credit. Resident taxpayers with AGI greater than \$29,000 can claim this credit (if AGI is \$29,000 or less, see line 32 instructions). Multiply the amount on line 31 of Federal Form 1040A, or line 49 of Federal Form 1040, by 25% (.25). Partial-year residents use line 6e, Schedule III, to claim this credit, if applicable. Nonresidents may not claim this credit. Include a copy of Federal Form 2441. If Federal Form 2441 is not received, the credit will be disallowed. Taxpayers who are filing married, filing jointly federally, but filing married, filing separately on their Nebraska return cannot claim this Nebraska credit.

Use Tax. Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. You may owe use tax if you have not paid the Nebraska sales tax or any applicable local sales tax on purchases delivered into Nebraska from out-of-state, mail order, or Internet sellers. Nebraska law requires that if sales tax is not collected by the seller on any taxable sale, the purchaser must remit the applicable use tax directly to the state.

Enter your total taxable 2017 purchases if Nebraska sales tax was not collected by the seller. Multiply this amount by 5.5% (.055). If local tax applies, enter your local code from the local sales and use tax codes and rates schedule on [page 31 of these instructions](#), and multiply your total taxable purchases by the local rate (.005, .010, .015, .0175, or .02). Add the state and local tax amounts together and enter on line 41. You can also report only local tax not paid if your vendor charged you the state tax but not the local tax.

Example. You purchase a computer from a seller in South Dakota over the Internet for \$1,470 plus \$30 shipping and handling charges. Both charges are taxable. The computer is shipped to you in Scottsbluff, Nebraska and no tax is charged or collected by the seller. Your state tax is \$83 ($\$1,500 \times 5.5\% = \83) and the local tax is \$23 ($\$1,500 \times 1.5\% = \23). The total use tax owed is \$106 ($\$83 + \$23 = \106). When calculating state and local tax, round your results, and then add them together to arrive at your line 41 entry. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Note: If you owe use tax to more than one Nebraska local jurisdiction, do not report use tax here. Instead, report state and local use taxes by filing the [Nebraska Individual Use Tax Return, Form 3](#).

Nebraska Schedule II Instructions

Full-year Nebraska residents claiming a credit for income tax paid to another state, political subdivision of another state, or the District of Columbia must complete [Nebraska Schedule II](#). Partial-year residents must use [Nebraska Schedule III](#).

A separate Schedule II must be completed for each state where income tax was paid. The total credits cannot exceed the Nebraska tax liability. If some income is subject to an income tax of both another state and a political subdivision in that state, complete only one Nebraska Schedule II and combine the state and political subdivision income taxes paid.

More info . . .

Credit for Income Tax Paid to Another State. A credit will not be allowed unless you attach a complete copy of the other state's or political subdivision's tax return, including all schedules. If the tax is not reported on an income tax return, attach a copy of a letter or statement from the other state or political subdivision showing the income and the tax paid. For political subdivisions not requiring a return, attach the Form W-2 showing the subdivision's tax withheld.

Nebraska law does not allow credit for taxes paid to a foreign country or its political subdivisions.

Note: When completing lines 2 and 5 of Nebraska Schedule II, refer to the [Conversion Chart](#) on the Department's website.

Line 1	Total Nebraska Tax. Enter the amount from line 17, Form 1040N.
Line 2	Adjusted Gross Income Derived From Another State. Refer to the Conversion Chart. Enter the amount shown on the return filed with the other state as AGI, or gross income derived from sources within that state. Do not include any income from S corporations or LLCs reported on line 21, Nebraska Schedule I, or income that is not included in federal AGI after Nebraska adjustments from lines 12 and 13, Form 1040N.
Line 3	Calculate the Ratio. Calculate the ratio to six decimal places, and then round to five decimals. For example, if your division result is .123467, round to .12347 (12.347%).
Line 4	Calculated Tax Credit. Multiply the ratio (line 3) by the total Nebraska tax (line 1), Nebraska Schedule II.
Line 5	Tax Due and Paid to Another State. Refer to the Conversion Chart. Enter the amount shown on the return filed with the other state as tax paid to that state. Do not enter the total of the other state's tax withheld. For tax paid to a political subdivision of another state that does not require the filing of an annual income tax return, enter the income tax withholding for that subdivision. If you and your spouse file married, filing separately in Nebraska, but file married, filing jointly in another state, attach a calculation of each spouse's share of the total tax paid to the other state. Use the net income of each spouse that is taxed by the other state in the calculation.
Line 6	Allowable Tax Credit. Enter the amount from line 1, 4, or 5, Nebraska Schedule II, whichever is least . Also enter this amount on line 19 of Form 1040N.

Nebraska Schedule III Instructions

Taxpayers filing a nonresident or partial-year resident return must complete [Nebraska Schedule III](#) to calculate the tax on their income derived from or connected with Nebraska sources.

Line 1	Income Derived from Nebraska Sources. Enter the total of all income from Nebraska sources. Include all sources and amounts of income and deductions, as they were stated on the federal return. If more space is needed, attach a list of all income sources to Nebraska Schedule III. Partial-year residents must include all items of Nebraska income for a nonresident, plus all income earned while a Nebraska resident that is not taxed by another state. This includes dividends, interest, pension income, sales of intangibles, and wages earned outside Nebraska. Detailed information on the types of income that must be listed and included on line 1, Schedule III is available on the Department's website. A partial list is shown below: <ul style="list-style-type: none">◆ Wages, salaries, tips, and commissions;◆ Nebraska unemployment payments;

Income of a Servicemember's Spouse. Because of the federal Servicemembers Civil Relief Act, Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in this state only in support of the servicemember. The spouse's income should not be included as Nebraska source income on line 1, Schedule III. For more information, see the [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

Line 2 More info . . . **Adjustments as Applied to Nebraska Income.** If you claimed adjustments to income on lines 16-19 of Federal Form 1040A, or lines 23-35 of Federal Form 1040, a portion of these amounts may be allowable as a deduction on line 2, [Schedule III](#). List the type of adjustment on line 2a and the corresponding amount on line 2b, Schedule III.

Line 4 **Ratio, Nebraska's Share of the Total Income.** Use the equation to calculate a ratio that represents Nebraska's share of total income. Calculate the ratio to six decimal places and then round to five decimals. For example, if the line 4, Schedule III result is .123467, round to .12347 (12.347%) before computing line 9, Schedule III. Even if line 5, Form 1040N and line 1, Schedule III are negative numbers, the ratio computed in line 4, Schedule III cannot exceed 100%. If the ratio is 100% or more, report 1.0000.

Line 5 **Nebraska Taxable Income.** Enter the amount from line 14, [Form 1040N](#).

Line 6 **Nebraska Tax Calculation.** Paper filers use the Nebraska Tax Table and the income shown on line 5, Schedule III, to find the tax amount to enter on line 6, Schedule III. Electronic filers must use the Nebraska Tax Calculation Schedule to calculate tax on Nebraska Taxable Income. Both paper and electronic filers must use the Additional Tax Rate Schedule if their federal AGI is more than \$261,500 (single), \$313,800 (married, filing jointly or qualifying widow[er]), \$156,900 (married, filing separately), or \$287,650 (head of household).

Partial-year residents enter your Nebraska credit for the elderly or disabled, or credit for child/dependent care expenses. See applicable instructions for lines 20, 23, and 32, Form 1040N. Partial-year residents with federal AGI of \$29,000 or less cannot claim child care credit here, and must instead complete line 12, Form 2441N, to calculate the amount to enter on line 32, Form 1040N.

Calculate the Nebraska earned income credit on lines 11 and 12, Schedule III.

Nonresidents are not allowed any credits on the line 6, Schedule III calculation.

Line 7 **Personal Exemption Credit.** Enter your credit for personal exemptions. (\$132 multiplied by the number of exemptions shown on line 4, Form 1040N). Do not enter on line 18, Form 1040N.

Line 8 **Tax After Personal Exemption Credit.** Line 6, Schedule III, minus line 7, Schedule III.

Line 9 **Nebraska Income Tax.** Multiply line 8, Schedule III, by the ratio you computed on line 4, Schedule III.

Line 10 **Nebraska Other Tax.** Complete all of lines 10a-f, Schedule III, that are applicable to your tax calculation. See line 16, Form 1040N instructions.

Lines 11 and 12 **Earned Income Credit.** Partial-year residents may claim this credit by entering the number of qualifying children on line 11a, Schedule III, and the federal earned income credit information on line 11b, Schedule III. The allowable Nebraska credit is 10% of the federal earned income credit multiplied by the ratio calculated on line 4, Schedule III. Enter the result on line 12, Schedule III, and on line 34, Form 1040N. To receive this credit, paper filers **must attach** a copy of pages 1 and 2 of their federal return. Nonresidents cannot claim the Nebraska earned income credit.
