If your insurance company paid the service provider directly for part of your expenses, and you paid only the amount that remained, include ONLY the amount you paid. **Do not include** amounts paid on your behalf directly to the service provider by any other person or governmental unit. IRS Publication 502 contains more information on medical and dental expenses.

Do not include any medicine that can be purchased over-the-counter without a prescription, whether or not they have been prescribed by a doctor. For example, aspirin, vitamins, and cough drops are not prescription medicines.

Health Insurance Premiums. Include insurance premiums paid for medical insurance for the applicant, spouse, or owner-occupant. Medical insurance includes Medicare Part B, Medicare Supplemental, Part D Medicare prescription drug coverage, or insurance for licensed nursing care. Part B Medicare withheld from Social Security payments should be included as insurance premiums paid.
