Instructions

Who Must File. The first owner of tobacco products (other than cigarettes) in Nebraska must file a Nebraska Tobacco Products Tax Return, Form 56, for each tax period.

The **first owner** is any:

- person who sells tobacco products in this state and imports or causes to be imported into this state tobacco products to be sold in this state;
- retailer in this state who purchases tobacco products directly from suppliers outside this state who do not have a tobacco products license;
- person who makes, manufactures, or fabricates tobacco products in this state for sale in this state; or
- person who is in business outside this state who ships or transports tobacco products to retailers in this state and becomes licensed.

The first owner of tobacco products in Nebraska cannot transfer the tax liability to any other person who holds a tobacco products license (i.e., tobacco products cannot be sold tax-free between persons who hold tobacco products licenses).

The first owner of the following tobacco products must report on Form 56, Nebraska Schedule I its purchase of: cigars; roll-your-own (RYO) tobacco; cheroots; stogies; periques; granulated, plug cut, crimp cut, ready rubbed, and other smoking tobacco; cavendish; plug and twist tobacco; fine cut and other chewing tobacco; shorts, refuse scraps, clippings, cuttings, and sweepings of tobacco; and other kinds and forms of tobacco, prepared for chewing or smoking in a pipe or otherwise; **except snuff and snuff flour.**

The first owner of snuff and snuff flour must report its purchases on Form 56, Nebraska Schedule II. Snuff is any finely cut, ground, or powdered tobacco that is not intended to be smoked, and includes both “moist snuff” that is intended to be placed in the mouth and “dry snuff” that is intended to be inhaled or sniffed through the nose.

When and Where to File. This return, properly signed and accompanied by check or money order payable to the Nebraska Department of Revenue, will be considered filed in a timely manner if postmarked on or before the tenth day of the month following the month covered by the return. A return is required even if no tobacco products tax is due.

Mail this return and payment to the Nebraska Department of Revenue, PO Box 94818, Lincoln, NE 68509-4818.

Preidentified Return. This return is to be used only by the tobacco products licensee whose name is printed on it. If you have not received a preidentified return for a reporting period, request a duplicate from the Nebraska Department of Revenue (Department). Do not file returns which have not been preidentified. If the business name, location, or mailing address is not correct, mark through the incorrect information and plainly print the correct information.

Penalty and Interest. If the return is not filed by the due date, a penalty will be assessed in the amount of 25% of the tax due. Interest on the unpaid tax will be assessed at the rate printed on line 16 from the due date until payment is received.

Nebraska Schedule I and Nebraska Schedule II

[Nebraska Schedule I](#) and [Nebraska Schedule II](#) are supplied with each preidentified tax return, Form 56. Each schedule provides space to record pertinent information on tobacco products imported, or caused to be imported into Nebraska, tobacco products manufactured and sold in this state, and tobacco products exported. The schedules must be completed and attached to the return.

Specific Instructions

Line 1. Enter the total net invoice amount of tobacco products imported into Nebraska as shown on Form 56, Schedule I, line 1. Do not report product returned to the manufacturer. See instructions for line 14.

Line 2. Enter the total net invoice amount of tobacco products exported from Nebraska as shown on Form 56, Schedule I, line 2. Tobacco products claimed as an export must be shown at the same net invoice price as included on line 1 of this return or on a prior return.

Line 3. Enter the total net invoice amount of tobacco products sold to the federal government or its agencies. Retain evidence of each sale made to the federal government with your records.

Line 6. Enter the total exact number of ounces of snuff as shown on Form 56, Schedule II, line 1. Do not report product returned to the manufacturer. See instructions for line 14.

Line 7. Enter the total exact number of ounces of snuff exported from Nebraska, as shown on Form 56, Schedule II, line 2.

Line 8. Enter the total number of ounces of snuff sold to the federal government or its agencies. Retain evidence of each sale made to the federal government with your records.

Line 14. Credit is allowed for the tax paid on tobacco and snuff that are returned to the manufacturer as unsaleable. Credit memoranda for returned tobacco and snuff are issued by the Department and must be attached to Form 56 on which credit is claimed. Do not attach the manufacturer’s affidavit or claim credit before the credit memorandum has been issued.

Line 16. A balance due resulting from a partial payment, mathematical or clerical errors, penalty, or interest relating to prior returns will be entered in this space by the Department. Any interest included in this balance due is calculated on unpaid tax through the due date of this return. If the amount due is paid before the due date, the interest will be recomputed and a credit will be given on your next return. If the amount entered has been paid by a previous remittance, it should be disregarded when computing the amount to remit on line 17. A credit will be indicated by the word “subtract” and can be subtracted from the amount due on line 15. If line 16 shows an amount due, add that amount to line 15.

Line 17. Electronic payments may be made using any of the following options:

- Department’s e-pay program (the State withdraws funds from your bank account based on the information you provide);
- ACH Credit (you work with your bank to deposit funds into the State’s bank account);
- Nebraska Tele-pay (pay by calling 800-232-0057); or
- Credit card payments.

For more information about these electronic payment options, see the “[Payment Options](#)” page on the Department’s website. Those not mandated to pay electronically may attach a check or money order for the amount on line 17, made payable to the Nebraska Department of Revenue.
