Instructions for Purchaser

Definition of a Motorboat. A motorboat is any watercraft propelled by any machinery, including watercraft temporarily equipped with detachable motors. A motorboat does not include a vessel which has a valid marine document issued by the Bureau of Customs of the United States Government or any federal agency.

Motorboats include: open or closed bow outboard, inboard, inboard/outboard boats; airboats; cabin/house boats; canoes; sailboats; personal water craft (jet skis, wave runners); pontoons; and any other watercraft propelled by a motor or detachable motor.

Payment of Taxes. The purchaser of a motorboat must present the white and blue copies of this statement to the county treasurer or other designated county official within 30 days from the date of purchase and pay the Nebraska and local sales taxes. The date of purchase is the earlier of two dates: the date on the motorboat title; or the date of possession, as evidenced by the Nebraska Sales and Use Tax Statement for Motorboat Sales, Form 6MB. The purchaser should retain a copy of this statement for a period of at least six years.

Penalty and Interest. If the total sales or use tax is not paid within 30 days of the purchase date, the county treasurer or other designated county official will assess and collect penalty and interest at the statutory rate. If you have any questions regarding the due date, or penalty and interest rates, please contact your local county treasurer's office or the Nebraska Department of Revenue (DOR) at 800-742-7474 (NE and IA) or **revenue.nebraska.gov**.

Sales Tax Paid to Another State. A motorboat purchased in another state, with sales tax properly paid to the other state, but registered for the first time in Nebraska, is subject to use tax at the time of registration. If the state the motorboat was purchased in has reciprocity with Nebraska, the total sales tax paid in that state will be credited toward the total state and local use taxes due in Nebraska. No refund will be made if the other state's tax rate exceeds the total Nebraska and local use tax rate. Proper documentation must be attached to support any amounts entered on line 8.

Exemptions. If the transfer of title to the motorboat described on this statement is exempt from sales and use taxes, the Nebraska Resale or Exempt Sale Certificate, located on the front of this statement, must be completed prior to registration.

The purchaser must present documentation that supports the sales tax exemption. If the documentation is not sufficient, the county treasurer, or other designated county official is authorized to collect the tax. The purchaser may submit a claim to DOR requesting a refund of the taxes paid.

Underpayment of Tax. Underpayment of sales or use tax on this statement must be reported on an Amended Nebraska Sales and Use Tax Statement for Motorboat Sales, Form 6XMB. Form 6XMB is available at each county treasurer's office and DOR.

Instructions for Seller

Licensed Motorboat Dealer or Licensed Permitholder.

A motorboat dealer, or sales tax permitholder, must complete this statement for every sale of a motorboat. If a motorboat trailer is sold, the motorboat dealer, in addition to completing Form 6MB, must also complete a Nebraska Sales/Use Tax and Tire Fee Statement for Motor Vehicles and Trailer Sales, Form 6. The colored copies of the Form 6MB should be distributed in the following manner:

- 1. The pink copy must be retained with your business records;
- 2. The green copy must be mailed to DOR; and
- 3. The white and blue copies must be given to the purchaser.

The sales price on line 1 must include amounts for the boat, motor, accessories, destination charges, import custom fees, surcharges, service and maintenance agreements, document processing charges, and charges for warranty transfers. Accessories and

other items that are sold separately (not with a motorboat) are taxable. The retailer is required to collect and remit sales tax on these separate retail sales.

Trade-in. The amounts allowed as a trade-in for a motorboat and trailer must be separately identified and entered on the appropriate lines of Form 6MB and Form 6, respectively.

Individual Without a Sales Tax Permit. An individual, who is not licensed to collect sales tax, must complete this statement for every sale of a motorboat. The colored copies should be distributed in the following manner:

- 1. The pink copy must be retained with your records; and
- 2. The white and blue copies must be given to the purchaser.

An individual can only accept another motorboat, motor vehicle, all-terrain vehicle, or utility-type vehicle as a trade-in to reduce the total sales price of the purchased motorboat.

Instructions for County Treasurers and Designated County Officials

Collection of Taxes. The county treasurer or other designated county official must collect and remit the state and applicable local sales and use taxes, prior to registering the motorboat.

The white and blue copies of this statement must be receipted in the space provided for validation. The blue copy must be returned to the purchaser. Counties are required to retain the white copy of this form and provide copies to DOR upon request. **Penalty and Interest.** If the appropriate sales or use taxes are not paid within 30 days after) the purchase date, penalty and interest must be collected at the statutory rate from the due date through the date of payment. If the due date falls on a Saturday, Sunday, or a holiday, the purchaser may still pay the amount due on the next business day without incurring penalty and interest.
