

Returns that are due on April 15, 2021 are extended to May 17, 2021.

The adjusted gross income threshold for the social security income benefit exclusion was incorrectly stated on page 16 in the Nebraska Individual Income Tax Booklet, Form 1040N, Schedule I, line 26 instructions. The correct amount for line 5 of Form 1040N for all other filing statuses is \$43,820 or less. The adjusted gross income amount for married, filing jointly returns is stated correctly.

**Nebraska Property Tax Incentive Act, LB 1107 (2020)**. This Act provides a refundable income tax credit to any taxpayer that paid Nebraska school district property taxes. **School Readiness Tax Credit Act Changes, LB 266 (2020)**. LB 266 amends the School Readiness Tax Credit Act for both the nonrefundable and refundable income tax credits effective for tax years beginning on or after January 1, 2020.

- ◆ The nonrefundable income tax credit for providers is now available to pass-through entities that own or operate an eligible child care and education program. These business entities will distribute the credit in the same manner and proportion as income. Previously, the nonrefundable credits could not be distributed by the pass-through entity.
- ◆ For the refundable income tax credit, the definition of an “eligible staff member” was expanded to include a self-employed individual providing child care and early childhood education for an eligible program for at least six months of the taxable year, who is listed in the Nebraska Early Childhood Professional Record System, and classified as provided in [Neb. Rev. Stat. § 71-1962\(4\)](#).

**Income Tax Credit for Purchase of a Residence in an Extremely Blighted Area, LB 86 (2019)**. For taxable years beginning or deemed to begin on or after January 1, 2020, and before January 1, 2026, LB 86 provides a \$5,000 nonrefundable income tax credit for purchasing a primary residence in a designated extremely blighted area. This credit would be available to the individual purchasing the residence upon meeting certain requirements. [Purchase of a Nebraska Residence in a Designated Extremely Blighted Area Credit, Form 1040N-EB](#) and additional information on this credit is available on DOR's website.

**Provide an income tax exemption for Segal AmeriCorps Education Awards, LB 477 (2020)**. LB 477 reduces a taxpayer's federal adjusted gross income by amounts received from a Segal AmeriCorps Education Award to the extent included in federal adjusted gross income, for tax years beginning on or after January 1, 2021.

**Change Provisions Regarding Employer Contribution to the Nebraska Educational Savings Plan Trust, LB 1042 (2020)**. LB 1042 provides a deduction to an individual's federal adjusted gross income equal to the amount of any contribution made by the individual's employer into the employee's Nebraska education savings trust (NEST) account, to the extent included in federal adjusted gross income. The deduction is limited to \$5,000 for married filing separate returns and \$10,000 for any other return. The deduction is available for tax years beginning on or after January 1, 2021.

## Important Information For All Nebraska Filers

---

Identity theft is a persistent, evolving threat. The Nebraska Department of Revenue (DOR) utilizes fraud detection and verification processes to reduce refund fraud designed to protect all taxpayers filing Nebraska returns. These steps may increase the amount of time needed to process income tax returns and issue tax refunds. DOR is committed to processing the tax returns efficiently while safeguarding taxpayer information. Please allow a minimum of 30 days to receive your refund if you e-file an error-free return. For paper returns, please allow a minimum of three months to receive your refund if you file an error-free return. Your refund will generally be issued by July 15, if your return is filed by the April 15th due date. [See our website for additional identity theft information](#).

**Complete Your Federal Return.** Your federal return must be completed before starting your Nebraska return. This information is needed to complete your Nebraska return.

**Complete Only the Lines on [Nebraska Individual Income Tax Return, Form 1040N](#), That Apply to You.** If a line does not apply to your filing, leave the line blank except line 5 cannot be left blank.

**Enter All Amounts as Whole Dollars.** Do not include cents on the return or schedules. Do not change the pre-printed zeros in the cents column of the Form 1040N. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

**Federal Forms W-2, W-2G, 1099-R, 1099-MISC, and 1099-NEC.** A form should be received from your employer or payor by February 15 or by March 1 if furnished by a broker. **If you have not received the form by the required date, you should immediately contact your employer or payor. Please verify that all information on these forms is correct, including the Social Security number.** If the information on these forms is incorrect, obtain a corrected form from your employer or payor. A corrected form should be clearly marked “Corrected by Employer/Payor.” If a wage and tax statement is lost or destroyed, request a substitute copy clearly marked “Reissued by Employer.”

**Balance Due.** Any balance due must be paid in full with your return. All taxpayers are encouraged to make their tax payments electronically. There are many electronic payment methods available. Several software products offer the option of an electronic funds withdrawal (EFW) allowing you to schedule your payment when you file your return. Other options include DOR’s e-pay system and paying by credit card. Electronic payment is fast, secure, and easy. See DOR’s [website](#) for additional information about all available electronic payment options.

**Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid to the retailer. This often occurs when making purchases over the Internet or from out-of-state retailers. Check your receipts for online purchases to see if tax was collected by the retailers. See the [instructions for line 42, Form 1040N](#) if the appropriate Nebraska and local sales taxes were not collected by a retailer on any of the purchases.

**Due Date.** Your income tax return is due on the 15th day of the 4th month after the close of the tax year (April 15th for calendar-year filers). If the due date falls on a Saturday, Sunday, or legal holiday, you must file your return by the first business day after the 15th day of the fourth month.

More info . . .

**Penalty and Interest.** Either or both may be imposed under the following circumstances:

1. Failing to file a return and pay the tax due on or before the due date;
2. Failing to pay the tax due on or before the due date;
3. Failing to file an amended Nebraska income tax return when required;
4. Preparing or filing a fraudulent income tax return; or
5. Understating income on an income tax return.

More info . . .

The interest rate for any unpaid tax is 3%, and is calculated from the original due date of the return, even if an extension of time to file is granted.

**A Nebraska Extension of Time.** DOR accepts the federal extension of time to file. It is only necessary to file a Nebraska extension of time if you are making a tentative tax payment or when a federal extension is not filed. An extension of time to file does not stop the accrual of interest on unpaid tax. A six-month extension to file Form 1040N may only be obtained by:

1. Attaching a copy of a timely-filed Application for Automatic Extension of Time to File U.S. Individual Income Tax Return, Federal Form 4868, to the Nebraska return when filed;
2. Attaching a schedule to your Nebraska return listing your federal confirmation number and providing an explanation that you received a federal extension;
3. Filing a [Nebraska Application for Extension of Time, Form 4868N](#), on or before the due date of the return, when you need to make a tentative Nebraska payment or when a federal extension is not being requested; or
4. Attaching a copy of the statement or letter submitted with your federal return requesting the automatic extension of time to file for a U.S. citizen residing outside the U.S. or Puerto Rico, to the Nebraska return when filed.

If you have an authorized IRS tax preparer e-file your return, Nebraska will grant you an automatic extension to file. If you e-file your own return using software you have purchased or accessed from the Internet, you will be required to mail in a Nebraska Form 4868N. See above for further instructions.

**Note:** If you have a combat zone-related or contingency operation-related extension, see DOR’s website for [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

If the extension documentation is not attached, a late filing penalty may be imposed. Any tax not paid by April 15 is subject to interest. An extension of time cannot exceed a total of six months after the original due date of the return.

**Estimating Your 2021 Income Tax.** The [2021 Nebraska Individual Estimated Income Tax Payment Vouchers](#) booklet is available on DOR’s website or you can contact DOR. You are encouraged to make estimated income tax payments using DOR’s e-pay system or using the EFW option when e-filing your 2020 Nebraska return. The EFW option is offered by many software products.

---

**Estimated Income Tax Payments and Penalty for Underpayment of Estimated Income Tax.** You may owe a penalty if your estimated income tax payments did not total at least:

- ◆ 90% of the tax shown on your 2020 Nebraska return; or
- ◆ 100% of the tax shown on your 2019 return; or
- ◆ 110% of the tax shown on your 2019 return if AGI on the return was more than \$150,000; or, if your filing status is married, filing separately, more than \$75,000.

See the [Individual Underpayment of Estimated Tax, Form 2210N](#), instructions.

An individual who did not pay enough estimated income tax by any of the applicable due dates (June 15, July 15, September 15, and January 15), or who did not have enough state income tax withheld, will be assessed a penalty. This may be true even if you are due a refund. The underpayment penalty is calculated separately for each installment due date (four equal and timely payments). You may owe a penalty for an earlier payment that was due, even if you paid enough estimated income tax later to make up the underpayment.

See DOR's website for: [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

**Active Duty Military Servicemembers.** Your active duty military pay is taxed only by the state where you are a legal resident. Your place of legal residence at the time of entry into the service is presumed to be your state of legal residence. Your state of legal residence stays the same until it is established in another state. Moving to a new location for a limited period of time, including a permanent change of station, does not change your legal residence. Nebraska income tax is imposed on the total federal adjusted gross income (AGI) of a Nebraska resident who is a member of the uniformed services, regardless of where the income is received.

Check the box "Active Military" on [Form 1040N](#) if you or your spouse were active military servicemembers at any time during the tax year (including National Guard or Reserve personnel called to active duty). Taxpayers receiving combat pay have the same extended due date for filing a Nebraska return as for the federal return.

Military pay received by a nonresident servicemember stationed in Nebraska is not subject to Nebraska income tax. Other income derived from Nebraska sources by a servicemember, such as income earned from a separate job not connected with the servicemember's military service, is subject to Nebraska income tax. See special [instructions for line 19, Nebraska Schedule I](#).

The federal Servicemembers Civil Relief Act provides that Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in Nebraska only in support of the servicemember. A Nebraska resident servicemember's spouse, who is also a Nebraska resident and who works and resides in another state, is required to file a Nebraska income tax return. More information is available in the [instructions for line 19, Nebraska Schedule I](#), and [line 1, Nebraska Schedule III](#), or on DOR's website.

**More info . . .**

**Foreign Income.** Income earned by a Nebraska resident while living in another country is taxable by Nebraska when the taxpayer maintains Nebraska residency.

**More info . . .**

**Deceased Taxpayer.** A tax return must be filed and any liability must be paid if the deceased otherwise met the filing requirements. A deceased taxpayer's spouse, personal representative, or other person may file and sign a return for a taxpayer who died before filing a 2020 return. A personal representative is an executor, administrator, or anyone else who is in charge of the deceased taxpayer's property. Additional documentation will be required when claiming a refund on behalf of a deceased taxpayer, unless the deceased is your spouse with whom you are filing as married, filing jointly for this tax year.

"DECEASED" must be written across the top of a paper return and the taxpayer's name and the date of death must be shown in the space provided. See additional instructions for deceased taxpayers in the "How to Complete your Form 1040N" section on [page 5](#).

**Fiscal Year Returns.** The taxable year used for Nebraska must be the same as the taxable year used for federal income tax purposes. For fiscal years beginning after January 1, 2020, the [2020 Nebraska Tax Calculation Schedule](#) or [Tax Table](#), must be used without adjustment.

**More info . . .**

**Due Date for Fiscal Year Returns.** The due date for a fiscal year return is the 15th day of the fourth month following the end of the taxable year.

Refer to [instructions for line 30, Form 1040N](#), for additional information on a fiscal year taxpayer claiming the income tax withholding credit.

Taxpayers filing fiscal year returns may not e-file their Nebraska return.

## Who Must File?

---

### A Nebraska resident who:

- ◆ Is required to file a federal individual income tax return reporting a federal tax liability before credits; or
- ◆ Has \$5,000 or more of net Nebraska adjustments to federal AGI including non-Nebraska state and local bond interest exempt from federal tax (see Nebraska Schedule I instructions).

### A partial-year resident or a nonresident who:

- ◆ Has income derived from or connected with Nebraska sources.

## Definitions

---

**Domicile.** Domicile is the place an individual has his or her permanent home. Even if the individual is absent at times, domicile is the place where the individual intends to return. Actual residence is not necessarily domicile. An individual establishes domicile in Nebraska on the date he or she arrives in the state for other than temporary or transitory purposes. Once domicile is established, it remains the individual's domicile until it is abandoned. Domicile in Nebraska is abandoned when an individual leaves the state, abandons the Nebraska domicile with no intention of maintaining his or her true, fixed, and permanent home in Nebraska; and establishes a domicile in another state while present in the other state for other than temporary or transitory purposes.

**Partial-Year Resident.** A partial-year resident is an individual who is a resident for part of the year, but less than the entire year. To be a partial-year resident, a taxpayer must change domicile during the year, either moving into or out of Nebraska.

**Permanent Place of Abode.** A permanent place of abode is a dwelling place permanently maintained by the taxpayer, whether or not it is owned by the taxpayer. A dwelling means a house, apartment, room, or other accommodation including those used for vacation purposes, suitable for human occupation. It does not include a vacation camp, cottage, or dwelling place occupied only temporarily.

**Resident.** A resident is an individual whose domicile is in Nebraska, or an individual who is physically present in this state and maintains a permanent place of abode within this state for an aggregate of more than six months. Nebraska residency will be determined by Nebraska law. If an individual maintains a permanent place of abode in Nebraska and is present in Nebraska for at least 183 days during the tax year, that individual is a Nebraska resident even if domiciled in another state. For this purpose, Nebraska considers any part of a day spent in Nebraska as a day spent in the state.

For additional information, refer to the [Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide](#) on DOR's website.

## How to Complete your Form 1040N

---

**Name and Address.** When filing a paper return, enter or clearly print your name and correct mailing address information in the spaces provided. Include your spouse's name if filing a joint return.

**Social Security Numbers.** You must enter your Social Security number (SSN) or Individual Tax Identification Number (ITIN) on the form in the boxes indicated. Include your spouse's SSN or ITIN if filing a joint return.

*The Privacy Act of 1974 provides that when DOR asks you for your Social Security number (SSN), you must first be told of DOR's legal right to ask for this information, why DOR is asking for it, and how it will be used. DOR must also tell you what would happen if it is not received and whether your response is voluntary, required to obtain a benefit, or mandatory under the law.*

*The legal right to ask for the information is [Neb. Rev. Stat. § 77-27,119](#). This law says that you must include your SSN on your return. Your response is mandatory under this section. The SSN is needed to properly identify you and process your return and other documents.*

**Public High School District Data.** All residents and partial-year residents domiciled in Nebraska on December 31, 2020, must enter the high school district code where you are domiciled (permanent residence). This information is also required if you reside outside Nebraska but are still domiciled in Nebraska. Nonresidents or partial-year residents not residing in Nebraska on December 31, 2020, do not enter a high school district code. This information is required by law to assist the Nebraska Department of Education in determining the state aid for Nebraska's K-12 public school systems.

---

**Farmer/Rancher.** Farmers or ranchers deriving at least two-thirds of their yearly gross income for the current or previous tax year from farming or ranching must check the box “Farmer/Rancher” below the SSN block. A farmer or rancher who files the 2020 Form 1040N and pays the Nebraska income tax due on or before March 1, 2021, is not required to make estimated income tax payments during 2020; otherwise, the entire amount of estimated income tax must be paid by January 15, 2021. If you file or pay after March 1, 2021, you may be assessed a penalty for failure to properly pay estimated income tax. An extension of time cannot be used to extend the March 1 filing date.

**Active Military.** Check the box “Active Military” below the SSN block only if you or your spouse were on active military duty status at any time during 2020. This includes National Guard/Reservists called to active duty during 2020.

**Deceased.** If the taxpayer or spouse is deceased, enter the first name of the deceased person and the date of death in the space provided.

- ◆ A **Surviving Spouse** filing for a deceased taxpayer’s refund must:
  - Write “surviving spouse” in the signature block if you are filing a paper Form 1040N for the deceased. No further documentation is required.
- ◆ When a court-appointed personal representative files an original or amended return on behalf of a deceased person, he or she must attach a copy of one of the following with the completed and signed Form 1040N or 1040XN:
  - The court order showing proof of appointment (Letters of Appointment); or
  - A copy of the probated will.
- ◆ Other persons requesting a deceased taxpayer’s refund should complete a [Statement of Person Claiming a Refund Due to a Deceased Person, Form 1310N](#), and attach one the following:
  - Death certificate (need not be certified); or
  - Formal notification from the appropriate government office (for example, Department of Defense, Department of Health and Human Services, or Department of State) informing the next of kin of the deceased person’s death.

---

**Line 1**

**Federal Filing Status.** Your Nebraska filing status is the same as your federal filing status.

There is an exception for married, filing jointly taxpayers where one spouse is a Nebraska resident and the other spouse is a nonresident or partial-year resident of Nebraska. These taxpayers may elect to file either a married, filing jointly return (both spouses are taxed as residents) or married, filing separately returns with Nebraska.

If you file a married, filing separately return for Nebraska, it must be calculated as if a married, filing separately federal return had been filed. The married, filing separately income, deductions, and exemptions must be used. The spouse’s ssn and name must be entered on the married, filing separately line.

**Nonresident military servicemembers should review line 19, Nebraska Schedule I instructions.**

---

**Line 2a**

Check the appropriate boxes if, during 2020:

Box 1. You were 65 or older (taxpayers born before January 2, 1956);

Box 2. You were blind;

Box 3. Your spouse was 65 or older (taxpayers born before January 2, 1956); or

Box 4. Your spouse was blind.

---

**Line 2b**

Check the appropriate boxes if someone, such as a parent, can claim you or your spouse as a dependent on their return.

---

**Line 3**

**Type of Return.** Check the appropriate box if, during 2020:

Box 1. You were a resident;

Box 2. You were a partial-year resident; or

Box 3. You were a nonresident.

Partial-year residents must also complete dates of residency. Nonresidents and partial-year residents must complete and attach [Form 1040N, Schedule III](#), even if all income is earned in Nebraska. If one spouse is a full-year resident and the other is a nonresident or partial-year resident, and they elect to file a married, filing jointly return, a resident return must be filed and Schedule III cannot be used. For additional information, refer to the [Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide](#) on DOR’s website.

---

**Line 4a**

Enter 1 in line 4a for yourself. You cannot enter a 1 in line 4a if you are claimed by another taxpayer for child tax credit or dependent tax credit purposes. The box should be left blank if a 1 is not entered.

**Line 4b** If your status is married, filing jointly enter 1 in line 4b for your spouse. You cannot enter a 1 in line 4b if your spouse is claimed by another taxpayer for child tax credit or dependent tax credit purposes. The box should be left blank if a 1 is not entered.

**Line 4c** Enter the dependents' names and social security numbers listed in columns 1 and 2 of the Federal Form 1040 or 1040-SR that qualify for the child tax credit or dependent tax credit. If you have more than three dependents, attach a listing for the remaining dependents using the same format as line 4c.

**Line 4** **Total Nebraska Personal Exemptions.** Add lines 4a, 4b, and 4c and enter the result on line 4.  
 If you filed a married, filing jointly federal return and elect to file married, filing separately for Nebraska because one spouse is a resident of Nebraska and the other is not, a federal return must be computed for each taxpayer as if married, filing separately federal returns had been filed. The taxpayer claiming the child tax credit or dependent credit on the reworked federal return must have earned more than half of the income used to support the family. For example, if a couple has three children, a taxpayer earning one-third of the income cannot claim any of the family's three children. Support payments are presumed to go to all children equally. The recalculated federal return information is used to determine the Nebraska personal exemptions on the married, filing separately Nebraska return.

**Line 5** **Federal Adjusted Gross Income (AGI).** This is the amount reported on your federal return as AGI. Enter the amount from Federal Form 1040 or 1040-SR, page 1, line 11. Do not leave line 5 blank on the Nebraska individual income tax return.

**Special Circumstances.**

If you were **not required to file a federal return**, but must file a Nebraska return to report **state and local bond interest of \$5,000 or more**, you must enter all income that would have been included in federal AGI. This includes both earned income (such as wages), retirement income (such as 401K distributions, pensions, etc.), and investment income (such as dividends, bank interest, etc.).

**Nonresidents and partial-year residents** must include your total federal AGI on line 5, Form 1040N, not just your Nebraska source income. When completing Nebraska Schedule III, you will report Nebraska income and apportion your tax liability based on a calculated ratio of Nebraska income to total income.

**Line 6** **Nebraska Standard Deduction.** Enter your Nebraska standard deduction. **If you use the standard deduction on the federal return, you must use the Nebraska standard deduction on the Nebraska return.** All taxpayers that claimed itemized deductions on their federal return are allowed the larger of the Nebraska standard deduction or federal itemized deductions, minus state and local income taxes claimed on Federal Schedule A.

If you or your spouse cannot be claimed for the child tax credit or dependent tax credit, enter the appropriate Nebraska standard deduction from the following chart. Do not enter the amount of your federal itemized deductions.

If you or your spouse can be claimed by another taxpayer for child tax credit or dependent tax credit purposes, your standard deduction is the smaller of the federal standard deduction allowed on line 12 of the Federal Form 1040 or 1040-SR, or the Nebraska standard deduction from the following chart.

**Nebraska Standard Deduction Chart**

See instructions above if you or your spouse can be claimed by another taxpayer for child or dependent tax credit purposes.

Filing Status	Number of Boxes Checked on Line 2a	Standard Deduction
Single	0	\$7,000
	1	\$8,650

**Line 36** **Nebraska Property Tax Incentive Act Credit.** Enter the credit calculated on line 4 of the [Form PTC](#). The completed Form PTC is required to be filed with the return when claiming the credit.

**Line 37** **Credit for Qualified Volunteer Emergency Responders.** A \$250 income tax credit is available to each qualified volunteer who has been certified by the volunteer department's certification administrator and this certification has been sent to DOR by February 15 of the year following qualification. DOR must have received certification of the qualified volunteer for at least two years to claim the tax credit. **Line 38** **School Readiness Tax Credit for Qualified Staff Members.** An income tax credit is available to an individual who is employed with, or who is a self-employed individual providing child care and early childhood education for an eligible program for at least six months during the taxable year and who is classified in the Nebraska Early Childhood Professional Record System. An application for this tax credit may be filed any time after the individual has met all the required eligibility criteria. The credit may only be claimed after your application has been approved in writing by the Nebraska Department of Revenue. For additional information, see DOR's [website](#).

**Line 40** **More info . . .** **Penalty for Underpayment of Estimated Tax.** Use Nebraska [Individual Underpayment of Estimated Tax, Form 2210N](#), to determine if you owe this penalty. Also, see [page 3 of these instructions](#). If you are required to calculate a Form 2210N penalty, report it on line 40, check the box, and attach Form 2210N to your return. Do not include any late filing penalty on this line.

---

**Line 41** **Total Tax and Penalty.** Add lines 29 and 40.

---

**Line 42** **More info . . .** **Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. You may owe use tax if you have not paid the Nebraska sales tax or any applicable local sales tax on purchases delivered into Nebraska from out-of-state, mail order, or Internet sellers. Nebraska law requires that if sales tax is not collected by the seller on any taxable sale, the purchaser must remit the applicable use tax directly to the state.

Enter your total taxable 2020 purchases if Nebraska sales tax was not collected by the seller. Multiply this amount by 5.5% (.055). If local tax applies, enter your local code from the local sales and use tax codes and rates schedule on [page 30 of these instructions](#), and multiply your total taxable purchases by the local rate (.005, .010, .015, .0175, or .02). Add the state and local tax amounts together and enter on line 42. You can also report only local tax not paid if your vendor charged you the state tax but not the local tax.

**Example.** You purchase a computer from a seller in South Dakota over the Internet for \$1,470 plus \$30 shipping and handling charges. Both charges are taxable. The computer is shipped to you in Scottsbluff, Nebraska and no tax is charged or collected by the seller. Your state tax is \$83 ( $\$1,500 \times 5.5\% = \$83$ ) and the local tax is \$23 ( $\$1,500 \times 1.5\% = \$23$ ). The total use tax owed is \$106 ( $\$83 + \$23 = \$106$ ). When calculating state and local tax, round your results, and then add them together to arrive at your line 42 entry. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

**Special Instructions for Gage County.** Gage County imposes a sales and use tax in addition to both the state and local city tax imposed by cities of Beatrice, Clatonia, Cortland, Odell, and Wymore. If only the Gage County sales and use tax has not been collected, enter 934 for the local code with a tax rate of 0.5%. For taxpayers using the local code for Beatrice (039), Clatonia (103), Cortland (116), Odell (362), or Wymore (534), include the Gage County rate of 0.5% in the local tax calculation reported. For example, if the local code of 039 is entered then 2.5% is entered for the local rate, and used for the calculation of the local tax (the Beatrice local rate of 2.0% plus the Gage County rate of 0.5% equals 2.5%).

**Note:** If you owe use tax to more than one Nebraska local jurisdiction, do not report use tax here. Instead, report state and local use taxes by filing the [Nebraska Individual Use Tax Return, Form 3](#).

---

**Line 43** **Total Amount Due.** Enter the amount owed, including the applicable underpayment of estimated income tax penalty. A balance due of less than \$2 need not be paid.

**Electronic Funds Withdrawal (EFW).** With this payment option, you provide your payment information within your electronically-filed return. Your payment will automatically be withdrawn from your bank account on the date you specify.

**Cancel a payment.** To cancel a scheduled EFW payment, contact our Taxpayer Assistance office at 800-742-7474 (NE and IA) or 402-471-5729 before 4:00 pm Central Time at least two business days prior to your scheduled payment date. You may cancel a payment scheduled through Nebraska e-pay by logging into the e-pay program from our website and selecting “cancel payment.” To cancel a credit card payment, contact Official Payments.

**Nebraska e-pay.** Nebraska e-pay is DOR’s web-based electronic payment system for single payments. You enter your payment and bank account information, and choose a date to have your account debited. You will receive an email confirmation for each payment scheduled.

**Credit Card.** Secure credit card payments can be initiated through Official Payments at [officialpayments.com](#); or via phone at 800-272-9829. A convenience fee (2.35% of the payment, \$1 minimum) is charged to the card you use. This fee is paid to the credit card vendor, not the state, and will appear on your credit card statement separately from the payment to DOR. At the end of your transaction, you will be given a confirmation number. Keep this number for your records. If you are making your credit card payment by phone, you will need to provide the Nebraska Jurisdiction Code, which is 3700.

---

**Line 43 (cont.)**

**Check or Money Order.** If you are not using one of the electronic payment options described above, include a check or money order payable to the “Nebraska Department of Revenue.” Checks written to DOR may be presented for payment electronically.

**Payment Plan.** If you are unable to pay the full amount of tax due, you should file your Nebraska income tax return and pay as much as you can by the filing date. You will receive a balance due notice in the mail. When that is received you can go online to set up a payment plan for the remaining balance, subject to applicable fees. Interest on unpaid tax will accrue.

**Amount You Want Refunded to You.** Enter the amount of overpayment to be refunded after subtracting lines 45 and 46 from line 44. Amounts less than \$2 will not be refunded.

If a taxpayer has any existing tax liabilities owed to DOR, the federal government, or other state agencies, any overpayment shown on this return will be applied to the amount owed. You will receive a letter explaining any amounts retained.

You can check the status of your refund at [revenue.nebraska.gov/individuals/refund-information](https://revenue.nebraska.gov/individuals/refund-information) or calling DOR's refund line 800-742-7474 (NE and IA) or 402-471-5729.

**Line 48**

**Direct Deposit Your Refund.** To have your refund directly deposited into your checking or savings account, enter the routing number and account number found on the bottom of the checks used with the account. The routing number is listed first and must be nine digits. The account number is listed to the right of the routing number and can be up to 17 digits. Also complete line 48b, Type of Account. Incorrect banking information will cause your refund to be issued as a paper warrant. Always double check that you entered the correct banking information, since this cannot be changed by DOR.

Box 48d is used to comply with banking rules regarding International ACH Transactions (IATs). The box must be checked whenever a refund will go to a bank account outside the U.S. or if a refund is sent to a bank account inside the territorial jurisdiction of the U.S. and 100% of the original refund is later transferred to a bank outside of the U.S. These refunds cannot be processed as direct deposits and instead will be mailed.

**Sign and Date Your Tax Return.** Include a daytime phone number in case DOR needs to contact you about your account. By entering an email address, the taxpayer acknowledges that DOR may contact the taxpayer by email. The taxpayer accepts any risk to confidentiality associated with this method of communication. DOR will send all confidential information by secure email or the State of Nebraska’s file share system. If you do not wish to be contacted by email, write “Opt Out” on the line labeled “email address.” A married, filing jointly return must be signed by both spouses.

If another person signs the return for the taxpayer, a copy of a power of attorney or court order authorizing the person to sign the return must be on file with DOR or attached to the return.

An unsigned return delays processing.

The act of e-filing a return is your signature. By e-filing the return, taxpayers and their tax preparer, if applicable, are declaring under penalties of perjury, that they have examined the electronic return, and to the best of their knowledge and belief, it is true, correct, and complete.

**Paid Preparer’s Use Only.** Any person who is paid for preparing a taxpayer’s return must sign the return as preparer. Additionally, the preparer must enter his or her Preparer Tax ID Number (PTIN) and Federal Employer ID Number (EIN). See DOR’s website for preparer e-file mandates.

# Nebraska Schedule I Instructions

## Part A — Adjustments Increasing Federal AGI

- Line 1** **More info . . .** **Interest Income from All State and Local Obligations Exempt from Federal Tax.** List the type of interest income from a state or local obligation exempt from federal tax on line 1a, Schedule I and the associated amount on line 1b. - Line 5** **Nebraska’s 529 College Savings Program RECAPTURE.** If you cancel your Nebraska College Savings Program account or withdraw funds for a non-qualified purpose, the amounts previously claimed as deductions are subject to recapture. Nebraska considers K-12 tuition a non-qualified use of College Savings Program funds. Qualified withdrawals are restricted to paying qualified expenses at schools for higher education (colleges, universities, technical schools, and graduate programs). **A federally qualified rollover to a Section 529 plan issued by a state (or entity) other than Nebraska is considered to be a cancellation subject to recapture.** The total maximum recapture is the lesser of (i) amount previously deducted on all Nebraska returns prior to the cancellation of the college savings program account, or (ii) the amount received upon the cancellation or non-qualified withdrawal of funds. Enter the calculated recapture amount on line 5.
- Line 6** **Nebraska ABLE Program RECAPTURE.** If you cancel your Enable Savings Plan account or make an unqualified withdrawal, the amounts previously claimed as deductions on the account owner’s return are subject to recapture. ## Part B — Adjustments Decreasing Federal AGI

<b>Line 10</b>	<b>State Income Tax Refund Deduction.</b> Enter the amount shown on line 1, Schedule 1, of your Federal Form 1040 or 1040-SR.
<b>Line 11</b>	<b>U.S. Government Obligations Exempt for State Purposes.</b> Enter the amount of interest or dividend income included in federal AGI from U.S. government obligations exempt from Nebraska tax. List the types of obligations on line 11a and the associated amounts of interest or dividend income received from each on line 11b. Then calculate the total by adding all amounts on lines 11b. Attach a schedule, if necessary, listing all the obligations for which a deduction is claimed. Capital gains from the sale of U.S. obligations are not deductible. For additional information, see the <a href="#">Taxability of Interest and Dividend Income From State, Local, and U.S. Government Obligations Information Guide</a> .
<b>Line 12</b>	<b>Regulated Investment Company Dividends from U.S. Obligations.</b> Enter the amount of government money market or mutual fund dividends issued by regulated investment companies that are obligations of the U.S. government.  The fund must issue you a statement showing the percent of the dividend that represents exempt U.S. government obligations. You must list the name of the fund on line 12a, the total amount of the dividend paid by the fund on line 12b, and the percentage of dividend attributable to U.S. government obligations on line 12c. You then calculate the amount of dividend attributable to US government obligations on line 12d.  Total all calculated dividend amounts on lines 12d and enter the result on line 12. <b>Line 14</b>	<b>Benefits Paid by the Railroad Retirement Board.</b> Enter any federally taxed retirement benefits paid by the Railroad Retirement Board (RRB), such as Tier I and Tier II benefits, railroad retirement sick pay, disability, and unemployment benefits, included in federal AGI. List the name of the benefit paid on line 14a and the related amount on line 14b. Filers must attach a copy of Forms RRB-1099, RRB-1099-R, 1099-G, and W-2 from U.S. Railroad Retirement Board Sickness and Unemployment Benefits Section. Paper filers must attach a copy of pages 1 and 2 of Federal Form 1040 or 1040-SR to your Nebraska return.  You must do a computation to determine the Tier I amount if you received both Form SSA-1099 for social security benefits AND Form RRB-1099 for Railroad Retirement Board Tier I payments because the Social Security Benefits Worksheet in the federal tax booklet adds the benefits together to calculate the taxable benefits entered on line 6b of the Federal Form 1040 or 1040-SR.  Use the total amount of Tier I benefits divided by the total benefit amount reported on line 6a of the Federal Form 1040 or 1040-SR to calculate a ratio to six decimal places, then round to five decimals. For example, .454467, would be rounded to .45447 (45.447%). Multiply this ratio by the amount on line 6b of the Federal Form 1040 or 1040-SR. Enter the result for the Tier I amount on the Nebraska Schedule I.
<b>Line 15</b>	<b>Special Capital Gains/Extraordinary Dividend Deduction.</b> See the <a href="#">Special Capital Gains/Extraordinary Dividend Election and Computation, Form 4797N</a> , instructions.

The Nebraska Educational Savings Plan Trust includes the following Plans: <ul style="list-style-type: none"><li>◆ NEST Direct College Savings Plan;</li><li>◆ NEST Advisor College Savings Plan;</li><li>◆ TD Ameritrade 529 College Savings Plan; and</li><li>◆ State Farm 529 Savings Plan.</li></ul> Only the account owner or parent/guardian custodian of an UGMA/UTMA account who made the contributions may claim this deduction. You cannot deduct contributions made to other states' 529 college savings plans on line 16. However, if an account in another state's plan is rolled over to a Plan in the Nebraska Educational Savings Plan Trust, the amount received in a qualified rollover, up to a maximum of \$10,000 (\$5,000 if married, filing separately), is eligible for the deduction.

<b>Line 16 (cont.)</b>	<p>Any withdrawals from the Nebraska College Savings Program to pay K-12 expenses are non-qualified withdrawals and subject to recapture to the extent of any state income tax deductions previously claimed on the Nebraska income tax return. Nebraska law considers K-12 tuition a non-qualified use of Nebraska College Savings Program accounts even though these withdrawals are permissible beginning in 2020 under federal law. ## Nebraska Schedule II Instructions

Full-year Nebraska residents claiming a credit for income tax paid to another state, political subdivision of another state, or the District of Columbia must complete [Nebraska Schedule II](#). Partial-year residents must use [Nebraska Schedule III](#).

A separate Schedule II must be completed for each state where income tax was paid. The total credits cannot exceed the Nebraska tax liability. If some income is subject to an income tax of both another state and a political subdivision in that state, complete only one Nebraska Schedule II and combine the state and political subdivision income taxes paid.

**Credit for Income Tax Paid to Another State.** A credit will not be allowed unless you attach a complete copy of the other state's or political subdivision's tax return, including all schedules. If the tax is not reported on an income tax return, attach a copy of a letter or statement from the other state or political subdivision showing the income and the tax paid. For political subdivisions not requiring a return, attach the Form W-2 showing the subdivision's tax withheld.

**Nebraska law does not allow credit for taxes paid to a foreign country or its political subdivisions.**

**Note:** When completing lines 2 and 5 of Nebraska Schedule II, refer to the [Conversion Chart](#) on DOR's website.

<b>Line 1</b>	<b>Total Nebraska Tax.</b> Enter the amount from line 17, Form 1040N.
<b>Line 2</b>	<b>Adjusted Gross Income Derived From Another State.</b> Refer to the Conversion Chart. Enter the amount shown on the return filed with the other state as AGI, or gross income derived from sources within that state. Do not include any income from S corporations or LLCs reported on line 18, Nebraska Schedule I, or income that is not included in federal AGI after Nebraska adjustments from lines 12 and 13, Form 1040N.
<b>Line 3</b>	<b>Calculate the Ratio.</b> Calculate the ratio to six decimal places, and then round to five decimals. For example, if your division result is .123467, round to .12347 (12.347%).
<b>Line 4</b>	<b>Calculated Tax Credit.</b> Multiply the ratio (line 3) by the total Nebraska tax (line 1), Nebraska Schedule II.
<b>Line 5</b>	<b>Tax Due and Paid to Another State.</b> Refer to the Conversion Chart. Enter the amount shown on the return filed with the other state as tax paid to that state. Do not enter the total of the other state's tax withheld. For tax paid to a political subdivision of another state that does not require filing an annual income tax return, enter the income tax withholding for that subdivision.  If you and your spouse file married, filing separately in Nebraska, but file married, filing jointly in another state, attach a calculation of each spouse's share of the total tax paid to the other state. Use the net income of each spouse that is taxed by the other state in the calculation.
<b>Line 6</b>	<b>Allowable Tax Credit.</b> Enter the amount from line 1, 4, or 5, Nebraska Schedule II, whichever is <b>least</b> . Also enter this amount on line 19 of Form 1040N.

## Nebraska Schedule III Instructions

Taxpayers filing a nonresident or partial-year resident return must complete [Nebraska Schedule III](#) to calculate the tax on their income derived from or connected with Nebraska sources.

<b>Line 1</b>	<b>Income Derived from Nebraska Sources.</b> Enter the total of all income from Nebraska sources. Include all sources and amounts of income and deductions, as they were stated on the federal return. If more space is needed, attach a list of all income sources to Nebraska Schedule III. Partial-year residents must include all items of Nebraska income for a nonresident, plus all income earned while a Nebraska resident that is not taxed by another state. This includes dividends, interest, pension income, sales of intangibles, and wages earned outside Nebraska.  Detailed information on the types of income that must be listed and included on line 1, Schedule III is available on DOR's website. A partial list is shown below: <ul style="list-style-type: none"><li>◆ Wages, salaries, tips, and commissions;</li><li>◆ Nebraska unemployment payments;</li></ul>

**Line 1 (cont.)**

- ◆ Severance pay associated with Nebraska employment;
- ◆ Dividends, interest, and other passive income;
- ◆ Business income;
- ◆ Farming and ranching income;
- ◆ Partnership, S corporation, LLC, estate, or trust income;
- ◆ Gain or loss;
- ◆ Rent and royalty income;

- ◆ Net operating loss carryforward; and
- ◆ Financial institution tax credit claimed.

**Income of a Servicemember's Spouse.** Under the federal Servicemembers Civil Relief Act (SCRA), Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in this state only in support of the servicemember. The Veterans Benefits and Transition Act of 2019 amended the SCRA by adding an election to allow the military servicemember spouse to claim the military servicemember's state of residency for tax purposes for any taxable year of the marriage if the spouse is in Nebraska only in support of the servicemember. The spouse's income should not be included as Nebraska source income on line 1, Schedule III. For more information, see the [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

---

**Line 2****More info . . .**

**Adjustments as Applied to Nebraska Income.** If you claimed adjustments to income on lines 10-21 on Schedule 1, Federal Form 1040 or 1040-SR, a portion of these amounts may be allowable as a deduction on line 2, [Schedule III](#). List the type of adjustment on line 2a and the corresponding amount on line 2b, Schedule III.

---

**Line 4**

**Ratio, Nebraska's Share of the Total Income.** Use the equation to calculate a ratio that represents Nebraska's share of total income. Calculate the ratio to six decimal places and then round to five decimals. For example, if the line 4, Schedule III result is .123467, round to .12347 (12.347%) before computing line 9, Schedule III. Even if line 5, Form 1040N and line 1, Schedule III are negative numbers, the ratio computed in line 4, Schedule III cannot exceed 100%. If the ratio is 100% or more, report 1.0000.

---

**Line 5**

**Nebraska Taxable Income.** Enter the amount from line 14, [Form 1040N](#).

---

**Line 6**

**Nebraska Tax Calculation.** Paper filers use the Nebraska Tax Table and the income shown on line 5, Schedule III, to find the tax amount to enter on line 6, Schedule III. Electronic filers must use the Nebraska Tax Calculation Schedule to calculate tax on Nebraska Taxable Income.

**Partial-year residents** enter your Nebraska credit for the elderly or disabled, or credit for child/dependent care expenses. See applicable instructions for lines 20, 23, and 33, Form 1040N. Partial-year residents with federal AGI of \$29,000 or less cannot claim child care credit here, and must instead complete line 12, Form 2441N, to calculate the amount to enter on line 33, Form 1040N.

Calculate the Nebraska earned income credit on lines 11 and 12, Schedule III.

**Nonresidents** are not allowed any credits on the line 6, Schedule III calculation.

---

**Line 7**

**Personal Exemption Credit.** Enter your credit for personal exemptions. (\$140 multiplied by the number of exemptions shown on line 4, Form 1040N). Do not enter on line 18, Form 1040N.

---

**Line 8**

**Tax After Personal Exemption Credit.** Line 6, Schedule III, minus line 7, Schedule III.

---

**Line 9**

**Nebraska Income Tax.** Multiply line 8, Schedule III, by the ratio you computed on line 4, Schedule III.

---

**Line 10**

**Nebraska Other Tax.** Complete all of lines 10a-f, Schedule III, that are applicable to your tax calculation. See line 16, Form 1040N instructions.

---

**Lines 11 and 12**

**Earned Income Credit.** Partial-year residents may claim this credit by entering the number of qualifying children on line 11a, Schedule III, and the federal earned income credit information on line 11b, Schedule III. The allowable Nebraska credit is 10% of the federal earned income credit multiplied by the ratio calculated on line 4, Schedule III. Enter the result on line 12, Schedule III, and on line 35, Form 1040N. To receive this credit, paper filers **must attach** a copy of pages 1 and 2 of their federal return. 2. Find the **high school district** where you live.
3. Find the seven-digit code for your high school district.
4. Enter the **seven-digit code** for your high school district on Form 1040N.

If you fail to include your high school district code on your return, processing of your return and any refund may be delayed.
