Nebraska law provides:

“If the Tax Commissioner approves and implements an electronic form or method for filing the return and the return is not filed electronically, no interest shall be allowed under this section on overpayment.” ([Neb. Rev. Stat. § 77-2794\(3\)\(b\)](#)).

The Tax Commissioner has approved and implemented e-filing methods for original individual income tax returns. Refunds resulting from **paper-filed** original returns **will not** be paid interest, regardless of when the refund is issued.

Your refund will generally be issued by July 15, if your paper return is filed by April 15.
