SPECIFIC INSTRUCTIONS

LINE 1. Counties, cities, and villages are required to remit a two percent tax on all gross proceeds from the conduct of a lottery. Enter line 5 from Nebraska Schedule I – County/City Lottery Activity Report.

LINE 2. Multiply line 1 by the state tax rate indicated. This is the amount of county/city lottery tax due to the Department for this tax period.

LINE 3. A balance due or credit resulting from a partial payment, mathematical or clerical error, penalty, or interest relating to prior returns will be entered in this space by the Department. The amount of interest includes interest on unpaid tax through the due date of this return. If the amount due is paid before the due date, the interest will be recomputed, and a credit will be given on your next return. If the amount entered has been satisfied by a previous remittance, it should be disregarded when computing the amount to remit on line 4. If a credit is shown, it may be applied to the current tax liability.

LINE 4. Attach a check made payable to the Nebraska Department of Revenue for the amount reported on line 4. Checks may be presented for payment electronically.

AUTHORIZED SIGNATURE. This return must be signed by a governing official or other duly authorized individual. A person who is paid for preparing this return must also sign the return as a preparer.
