The homestead exemption provides relief from property taxes by exempting all or a portion of the taxable value of the residence. The State of Nebraska reimburses counties and other governmental subdivisions for the property taxes lost due to homestead exemptions.

In Nebraska, a homestead exemption is available to the following categories of property owners:

- Persons over the age of 65;
- Individuals with certain qualifying disabilities;
- Certain veterans with qualifying disability statuses and their widow(er)s; or
- Individual with a developmental disability.

Some categories are subject to household income limitations and residence valuation requirements. The income limitations are on a sliding scale.

Homestead exemption forms and information are available at revenue.nebraska.gov/PAD/homestead-exemption.

For more information on the homestead exemption program, please contact your county assessor or DOR at 888-475-5101.
