### Instructions for Amended Nebraska Partnership Return of Income, Form 1065XN

**Purpose.** Use Form 1065XN to:

- Report changes in the partnership's income, deductions, or credits resulting from an audit by the IRS or another state.
- Report changes in the partnership's income, deductions, or credits resulting from filing an amended return with the IRS or another state.
- Correct items on a previously filed Form 1065N or 1065XN.
- Elect to be subject to Nebraska income tax for the 2024 tax year within the required time frame.
- Elect to pay the tax related to the required amended return pursuant to § 77-2775(5).

When to file. A partnership whose reported items of income, deductions, or credits are changed may file an amended return:

- Within 60 days after a final determination of an audit by the IRS or another state.
- Within 60 days after filing a federal Amended Return or Administrative Adjustment Request (AAR), Form 1065-X.
- Within 60 days after filing an amended return with another state with a change or correction material to the Nebraska tax liability.

In general, amended returns claiming a credit or refund must be filed within three years after the original return was filed or within two years after the time the tax was paid, whichever occurs later. When the amended return reflects a reduction in tax due because the Nebraska source income for its nonresident individual partners is reduced the partnership will not receive a refund. Individual partners may file a claim for refund resulting from the reduced Nebraska source income.

A partnership may also file an amended return to elect to be subject to Nebraska income tax. The amended return must be filed on or before the original due date, including any granted extension to file.

An amended return must be filed separately from the annual return of the partnership.

**Information on Income, Deductions.** If you have any questions regarding the taxability of an item, or the allowance of deductions, adjustments, or credits, etc., refer to the instructions for Form 1065N and Federal Form 1065, for the 2024 tax year.

**Signature.** This return must be signed by a partner. If a partner authorizes another person to sign the return, there must be a Power of Attorney, Form 33, on file with Nebraska Department of Revenue (DOR) or attached to the return. **Email.** By entering an email address, the taxpayer acknowledges DOR may contact the taxpayer by email. The taxpayer accepts any risks to confidentiality associated with this method of communication. DOR will send all confidential information by secure mail or the State of Nebraska's share file system. If you do not wish to be contact by email, write "Opt Out" on the line labeled "email address".

**Paid Preparer's Use Only.** Any person who is paid for preparing a taxpayer's return must sign the return as a preparer. Additionally, the preparer must enter their Preparer Tax ID Number (PTIN), their firm's name, and Federal Employer ID Number (EIN).

### **Specific Instructions**

Check Box 4. – Check this box if the partnership previously elected or is currently electing to be subject to Nebraska income tax under Neb. Rev. Stat. § 77-2727(6) for the 2024 tax year. The election applies to this and all subsequent returns filed for this tax year except returns filed under the AAR election. This election must be made on or before the original due date of the return including any granted extension to file. The partnership will issue amended Nebraska Schedule K-1Ns for the partner's Nebraska share of the PTET credit. The amended Nebraska Schedule K-1Ns will not include the AAR portion.

**Check Box 8.** – Check this box only if the partnership is electing to pay all Nebraska income tax, penalties, or interest associated with the amended return under Neb. Rev. Stat. § 77-2775(5). The election allows the partnership to file an amended Nebraska partnership return and pay all Nebraska income tax, penalties, or interest due after taking into consideration the positive and negative adjustments to partnership items without requiring partners to file amended Nebraska income tax returns for the year of the election. The election applies only to the amended return on which the election is made. If box 8 is checked and the partnership is only filing to report an AAR adjustment, partners do not file amended returns and the partnership does not fill out amended Nebraska Schedule K-1Ns. A copy of the federal return and related forms must be attached. The partnership cannot claim a refund under this election.

If box 4 and box 8 are checked and the partnership is filing an amended return for both a PTET and an AAR adjustment, the amended Nebraska Schedule K-1Ns issued by the partnership resulting from the amended return must not include the AAR information.

The election cannot be made after the original due date of the 2024 return, plus any granted extension to file.
- **Line 17, PTET for tax years 2018 through 2022.** Enter the amount of any PTET for 2018 through 2022 previously reported on a 2024 return. If the PTET for 2018 through 2022 was not previously reported, it may be reported on a 2024 amended, provided a Pass-Through Entity Tax (PTET) Election for Tax Years 2018 Through 2022, Form PTET-E is filed on or before December 30, 2025. - **Line 18, NE tax on AAR adjustments.** If box 8 is checked, enter the result of line 5b multiplied by 5.84%. If box 8 is checked and not box 4, do not complete amended Nebraska Schedule K-1Ns or Schedule II for the AAR adjustments.

- Line 27, PTET Credit Received From a Lower-Tier Electing Partnership. When a partnership is a partner in an electing partnership it may either claim its share of the Nebraska tax paid by the electing partnership or distribute it to its partners. Partnerships claiming the credit should enter the amount from line 26 of Nebraska Schedule K-1N issued by the electing partnership. If the partnership is distributing its share of the tax paid by the electing partnership, leave line 27 blank and include the PTET credits distributed to the partners on the Schedule PTET. Each Nebraska Schedule K-1N should include the partners share of the credit.
- Line 30, Overpayment Allowed on Original Return, Plus Additional Overpayments After It Was Filed. Enter the "Overpayment" from our original return, or as later corrected or adjusted. The amount of overpayment must be considered in preparing your Form 1065XN, since any amount claimed for refund on your original return will be refunded separately from any additional refund claimed on this amended return.
- **Line 32, Tax Due.** If line 21 minus line 31 is greater than zero, enter the result on line 32.
- **Line 33, Penalty.** Penalty may be imposed under the following conditions:
  - Failing to file a return and pay the tax due on or before the due date;
  - Failing to pay the date due on or before the due date;
  - Failing to file an amended Nebraska return of income to report changed made to your federal return;
  - Preparing or filed a fraudulent return of income; or
  - Understating income on and income tax return.

Penalty does not apply to the tax due resulting from checking box 4 on this return.

**Line 34, Interest.** Enter the total interest due, computed on the additional tax due at the statutory rate from the due date of the original return to the date of payment. Interest does not apply to any tax due resulting from line 17 on this return.

**Line 36, Refund.** If line 21 minus line 31 is less than zero, enter the result on line 36. A partnership will not receive a refund of any income tax withholding due with its original return when the Nebraska source income for its nonresident individual partners is reduced. Instead, the partners may file a claim for an income tax refund resulting from the reduced Nebraska source income.

**Nebraska Schedule II.** Do not complete this schedule if box 4 is checked or the Nebraska source income is decreased. If box 8 is checked and only AAR adjustments are being reported, do not complete Schedule II.

**Nebraska Schedule PTET.** Do not complete this schedule unless the amount of PTET previously reported is changed by filing this amended return. If the PTET previously reported is changed complete the Schedule PTET using the amended PTET from Column C, line 6. Enter the amended PTET amounts from the Nebraska Schedule PTET on the amended Nebraska Schedules K-1N.
