Instructions

When to File. A 2024 Amended Nebraska Financial Institution Tax Return, Form 1120XNF, must be filed if:

- The financial institution’s net financial income or amount of deposits for tax year 2024 are changed by a state or federal regulatory agency; or
- An error was made on the financial institution’s original **Nebraska Financial Institution Tax Return, Form 1120NF**, for 2024.

The 2024 Form 1120XNF can only be filed after the financial institution has filed a Form 1120NF for tax year 2024.

Note: An amended return claiming a refund of tax previously paid must be filed within 90 days after the date the tax was due or paid, whichever date is later; or within 90 days after receiving notification of a change in the amount of net financial income or deposits from a state or federal regulatory agency.

Prior Years

- Use Form 1120XNF for the tax year corresponding to the return being amended for tax years after 2000.
- Use Form 1120XNF-3 to amend tax years 1993 – 2000.
- Contact the Nebraska Department of Revenue (DOR) to obtain the appropriate form for amending a return for tax years prior to 1993.

How to Complete Form 1120XNF-2024

Reminder for Financial Institutions Electing to be Taxed under the Internal Revenue Code (IRC) as S Corporations. For financial institutions electing to be taxed under the IRC as S corporations, if the amount of tax as originally reported on line 18 of Form 1120NF has been changed, the financial institution must provide each shareholder with an amended Statement of Nebraska Financial Institution Tax Credit, Form NFC. If an estate or trust owns shares of the financial institution, each beneficiary must be provided with an amended Form NFC. Clearly mark Form NFC as “AMENDED.”

Lines 1-18, Computation of Tax. Refer to the line-by-line instructions on the [Nebraska Financial Institution Tax Return, Form 1120NF](#), for information on calculating average deposits and net income.

Column A, Original or Adjusted Amount. Enter the amounts shown on the original Nebraska Financial Institution Tax Return, Form 1120NF, or as later adjusted.

Column B, Net Change. Enter the net changes to the amounts entered in column A. All entries in column B must be explained in detail on Nebraska Schedule I with supporting schedules and documents, if any.

Column C, Correct Amount. Enter the corrected totals after the increases or decreases shown in column B. If there are no changes, enter the amount from column A.

Line 21, PTET Credit. Enter the total pass-through entity tax (PTET) credits received from partnerships in which you hold an ownership interest. Attach a schedule if you received the credit from more than one partnership listing the name, Nebraska ID Number, and amount of PTET credit received from each partnership.

Line 22, Voluntary Estimated Tax Payment. Enter the amount of any voluntary estimated tax payment.

Line 23, Tax Payments. Enter the amount of tax paid with the original return plus any additional tax paid after the original return was filed.

Line 24, Total Refundable Credits and Payments. Enter the total of lines 19 through 23.

Line 25, Overpayment. Enter the amount of overpayment allowed on the original return, plus any additional overpayments allowed after the original return was filed.

Line 27, Additional Tax Due. If line 18 is greater than line 26, subtract the amount on line 26 from the amount on line 18 and enter the difference here.

Line 28, Penalty. If the original return was not filed by its due date and line 27 indicates a tax due, compute a penalty

DRAFTS OF 11/19/2024
DO NOT FILE

for failure to file in a timely manner as follows:

- Compute the number of months or fraction of a month from the due date of the original return to the date the amended return is filed;
- Multiply the amount due on line 27 by 5% per month or fraction of a month as determined above; and
- Limit the total penalty to 25% of the amount on line 27.

Additional penalties may be imposed for:

- Failing to file a return and pay tax due on or before the due date;
- Failing to file the Amended Nebraska Financial Institution Tax Return, Form 1120XNF, to report changes made to the financial institution's amount of deposits or net financial income;
- Preparing or filing a fraudulent Nebraska tax return; or
- Understating deposits or net income before income taxes and discontinued operations on a financial institution Nebraska tax return. Filing a false or fraudulent Nebraska tax return is subject to penalty, even if the amounts reported are taken from the financial institution's federal tax return or reports filed with state or federal regulatory agencies.

Line 29, Interest Due. Compute interest at the statutory rate of 8% beginning January 1, 2025, on the additional tax due (line 27) from the original due date to the date the tax is paid. See [Revenue Ruling 99-24-1](#) for applicable interest rates for prior years. Interest is not credited for an overpayment of tax if the refund is issued within 90 days after the last date prescribed for filing the return.

Line 30, Balance Due. Payment of tax, penalty, and interest due may be made electronically.

Electronic Payment. Financial institutions that made tax payments exceeding \$5,000 in a prior year are required to make all payments [electronically](#).

E-pay (Nebraska e-pay, ACH Credit, Tele-pay). Pay the amount due electronically. It's secure, easy, and fast. Details on electronic payments can be found on DOR's [website](#).

Credit Card. Secure credit card payments can be initiated through ACI Payments, Inc. at [acipayonline.com](#), or via telephone at 800-272-9829. Eligible credit cards include American Express, Discover, MasterCard, and VISA. A convenience fee will be charged to the credit card used. This fee is paid to the credit card vendor, not the State of Nebraska, and will appear on the credit card statement separately from the tax payment.

Check or Money Order. Include a check or money order payment to the Nebraska Department of Revenue with your return. Checks written to DOR may be presented for payment electronically.

Line 31, Refund. DOR recommends having any refund on line 31 directly deposited to the financial institution's bank account. See line 32a-32d instructions below.

Lines 32a-32d, Direct Deposit. To have a refund directly deposited into a checking or savings account, enter the routing number and account number associated with the account.

- **32a.** The routing number is listed first and must be nine digits.
- **32b.** Indicate the type of account – checking or savings.
- **32c.** The account number is listed to the right of the routing number and can be up to 17 digits.
- **32d.** Box 32d complies with financial institution rules regarding International ACH Transactions (IATs). Refunds to accounts outside of the United States cannot be processed as direct deposits and, instead, will be mailed.

Sign and Date the Tax Return. This return must be signed by an officer of the financial institution. If another person is authorized to sign this return, a [Power of Attorney, Form 33](#) must be on file with DOR or attached to the return.

Email. By entering an email address, the taxpayer acknowledges that DOR may contact the taxpayer by email. The taxpayer accepts any risk to confidentiality associated with this method of communication. DOR will send all confidential information by secure email or the State of Nebraska's file share system. If you do not wish to be contacted by email, write "Opt Out" on the line labeled "email address."

Paid Preparer's Use Only. Any person who is paid for preparing a financial institution's return must sign the return as preparer. The preparer must enter his or her Preparer Tax ID Number (PTIN), the firm's name, and Federal Employer ID Number (EIN).

Schedule I. Provide a complete explanation of the reasons for filing the amended return. When filing an amended return to reflect corrected Call Report information, attach copies of the changed pages from the Call Report. If the amended return is being filed due to a change made by a state or federal regulatory agency, a dated copy of the regulatory agency's notice must also be attached.

Taxpayer Assistance. Contact the DOR by phone at 800-742-7474 (NE and IA) or 402-471-5729, or visit the DOR's [website](#).
