#### Instructions for Amended Nebraska S Corporation Income Tax Return, Form 1120-XSN

**Purpose.** Use Form 1120-XSN to:

- Report changes in the S corporation's income, deductions, or credits resulting from an audit by the IRS or another state.
- Report changes in the S corporation's income, deductions, or credits resulting from filing an amended return with the IRS or another state.
- Correct items on a previously filed Form 1120-SN or 1120-XSN.
- Elect to be subject to Nebraska income tax.

**When to file.** An S corporation whose reported items of income, deductions, or credits are changed may file an amended return:

- Within 60 days after a final determination of an audit by the IRS or another state.
- Within 60 days after filing an amended federal S corporation income tax return.
- Within 60 days after filing an amended return with another state with a change or correction material to the Nebraska tax liability.
- Before the due date, including approved extensions to elect to be subject to Nebraska income tax.

In general, amended returns claiming a credit or refund must be filed within three years after the original return was filed or within two years after the time the tax was paid, whichever occurs later. When the amended return reflects a reduction in tax due because the Nebraska source income for its nonresident individual shareholders is reduced the S corporation will not receive a refund. Individual shareholders may file a claim for refund resulting from the reduced Nebraska source income.

An S corporation may also file an amended return to elect to be subject to Nebraska income tax. The amended return must be filed on or before the original due date, including any granted extension to file.

An amended return must be filed separately from the annual return of the S corporation.

**Information on Income, Deductions.** If you have any questions regarding the taxability of an item, or the allowance of deductions, adjustments, or credits, etc., refer to the instructions for Form 1120-SN and Federal Form 1120-S, for the 2024 tax year.

**Signature.** This return must be signed by a corporate officer. If a corporate officer authorizes another person to sign the return, there must be a Power of Attorney, Form 33, on file with Nebraska Department of Revenue (DOR) or attached to the return.

**Email.** By entering an email address, the taxpayer acknowledges DOR may contact the taxpayer by email. The taxpayer accepts any risks to confidentiality associated with this method of communication. DOR will send all confidential information by secure mail or the State of Nebraska's share file system. If you do not wish to be contacted by email, write "Opt Out" on the line labeled "email address".

**Paid Preparer's Use Only.** Any person who is paid for preparing a taxpayer's return must sign the return as a preparer. Additionally, the preparer must enter their Preparer Tax ID Number (PTIN), their firm's name, and Federal Employer ID Number (EIN).

#### **Specific Instructions**

**Check Box 4.** – Check this box if the S corporation previously elected or is currently electing to be subject to Nebraska income tax under Neb. Rev. Stat. § 77-2734.01(8). The election applies to this and all subsequent returns filed for this tax year. This election must be made on or before the original due date of the return including any granted extension.

**Column (A).** Enter the amounts shown or your original return or as later adjusted.

**Column (B).** Enter the net changes to the amounts entered in column (A). All entries in column (B) must be explained in detail in the Explanation of Changes section, with supporting schedules attached.

**Column (C).** Enter the corrected totals after the increases or decreases shown in column (B). If there are no changes enter the amount from column (A).

**Line 1, Ordinary Business Income**. Enter the ordinary business income reported for federal income tax purposes.

**Line 2, Nebraska Adjustments Increasing Ordinary Business Income.** Enter the amount from line 12 of Nebraska Schedule A, Form 1120-XSN.

**Line 3, Nebraska Adjustments Decreasing Ordinary Business Income.** Enter the amount from line 23 of Nebraska Schedule A, Form 1120-XSN.

DRAFT AS OF 10/11/2024 DO NOT FILE **Line 5, Income Reported to Nebraska.** If all the income earned by the S corporation is derived from Nebraska sources, enter the line 4 amount on line 5. If the S corporation earned income from both within and without Nebraska, enter the amount from line 3 or Nebraska Schedule I.

**Line 6, Electing Pass-Through Entity Tax for Tax Year 2024.** If box 4 is checked, enter the result of line 5 multiplied by 5.84%. If the S corporation did not elect to be subject to tax for the 2024 tax year, skip lines 6 through 16. The election cannot be made after the original due date of the 2024 return, plus any granted extension.

Line 18, Income Reported to Nebraska Subject to Withholding. Enter in column (C) the larger of column (A), line 7 or the total from column (F), Nebraska Schedule II, Form 1120-XSN.

Line 19, Nebraska Income Tax Withheld for Nonresident Individual Shareholders. Enter in column (C) the larger of column (A), line 8 or the total from column (G), Nebraska Schedule II, Form 1120-XSN.

**Line 21, Form 3800N Credit and Recapture.** Enter the net amount of any refundable credit and any recapture of credits reported on the Nebraska Incentives Credit Computation, Form 3800N. If the credits are larger than the recapture, enter as a negative number.

Line 25, Credit for Community College Property Taxes. Enter the amount from line 1, Form PTC, and attach Form PTC

Line 26, PTET Credit Received from an Electing Partnership. When an S corporation is a partner in an electing partnership it may either claim its share of the Nebraska tax paid by the electing partnership or distribute it to its shareholders. S corporations claiming the credit should enter the amount from line 26 of Nebraska Schedule K-1N issued by the electing partnership. If the S corporation is distributing its share of the tax paid by the electing partnership, leave this line blank. Each Nebraska Schedule K-1N should include the shareholder's share of the credit.

Line 29, Overpayment Allowed on Original Return, Plus Additional Overpayments After It Was Filed. Enter the "Overpayment" from our original return, or as later corrected or adjusted. The amount of overpayment must be considered in preparing your Form 1120-XSN, since any amount claimed for refund on your original return will be refunded separately from any additional refund claimed on this amended return.

**Line 31, Tax Due.** If line 20 minus line 30 is greater than zero, enter the result on line 31.

**Line 32, Penalty.** Penalty may be imposed under the following conditions:

- Failing to file a return and pay the tax due on or before the due date;
- Failing to pay the date due on or before the due date;
- Failing to file an amended Nebraska return of income to report changed made to your federal return;
- Preparing or filed a fraudulent return of income; or
- Understating income on and income tax return.

**Line 33, Interest.** Enter the total interest due, computed on the additional tax due at the statutory rate from the due date of the original return to the date of payment.

**Line 35, Refund.** If line 20 minus 30 is less than zero, enter the result on line 35. An S corporation will not receive a refund of any income tax withholding due with its original return when the Nebraska source income for its nonresident individual shareholders is reduced. Instead, the shareholders may file a claim for an income tax refund resulting from the reduced Nebraska source income.

Nebraska Schedule II. Do not complete this schedule if box 4 is checked or the Nebraska source income is decreased.
