Instructions

If you paid Nebraska property taxes yourself directly or through your monthly payments into escrow, use this form to claim the property tax credit. Look up your parcel in the Nebraska Property Tax Look-up Tool (Look-up Tool) to complete line 2. Enter the line 2a amount on line 1.

Purpose. The Nebraska Property Tax Credit, Form PTC, is used to identify parcels and compute a tax credit for Nebraska community college property taxes (qualified property taxes) paid.

Nebraska Property Tax Look-up Tool. You can determine the amount of qualified property taxes paid on a parcel in the 2024 calendar year, by using the Nebraska Department of Revenue's (DOR's) <u>Nebraska Property Tax Look-up Tool</u>. DOR strongly recommends using this Look-up tool.

Qualified Property Taxes Paid. The qualified property taxes are paid on the date received by the county treasurer. The date qualified property taxes were received is affected by the following rules.

- 1. **Mortgage Escrow Accounts.** When your payment to a mortgage company includes an escrow for property taxes, the date the county treasurer receives payment from the escrow account is the date the qualified property taxes were paid;
- 2. **Parcel Sales Property Taxes Funded**. When you fund property taxes at closing, the related qualified property taxes were paid when received by the county treasurer. You may claim the allowable credit only for the calendar year that the county received the money from the escrow agent;
- 3. **Parcel Sales Property Taxes Reimbursed**. When the buyer reimburses the seller for property taxes that were already paid, the buyer cannot take the credit on any portion of the reimbursement because the county treasurer already received the taxes paid by the seller.
- 4. **County Treasurer Escrow Accounts**. When you make partial property tax payments that are held in escrow by the county treasurer, qualified property taxes are paid when applied to the parcel in the records of the county treasurer.
- 5. **Tax Sale Certificate**. The qualified property taxes are received by the county treasurer when collected from the person that purchased the tax sale certificate. Persons who redeem the tax certificate are repaying a loan to obtain a lien release. The redeemer cannot take the credit for the redemption.

The DOR obtains property tax data from each county treasurer. That data includes the amount of property taxes received during a calendar year. The DOR will use the county treasurer receipt data, unless you can show the county treasurer's data is incorrect.

Limitation on Qualified Property Taxes. Qualified property taxes paid do not include property taxes levied for bonded indebtedness, taxes levied as a result of an override of the limits on property tax levies approved by voters, or credits applied to the property taxes levied. The Look-up Tool automatically takes these items into account in computing the qualified property taxes paid.

Beginning September 2, 2023 qualified property taxes paid also do not include property taxes that were 5 years or more delinquent at the time of payment.

Enter All Qualified Property Tax Amounts as Whole Dollars. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Records. All taxpayers must retain records for at least three years after filing the tax return claiming the credit for qualified property taxes paid. Taxpayers using the DOR's Look-up Tool should print or save the information provided by the Look-up Tool.

Who Must File. Form PTC must be filed by the individual, corporation, partnership, LLC, fiduciary, or financial institution that paid the tax and is claiming the credit.

When and Where to File. Form PTC must be filed with the Nebraska income tax or financial institution tax return on which the credit is claimed.

How to Complete the Form PTC

Taxpayers claiming the credit should complete Part B before completing Part A. This form can be completed quickly and easily using the Look-up Tool.

Part A – Computation of the Credit

Part A is used to compute the credit for qualified property taxes paid and reported in Part B.

Part B – Community College Property Taxes Paid in 2024

Part B is used by individuals, C corporations, S corporations, partnerships, LLCs, financial institutions, and fiduciaries that paid qualified property taxes in 2024.

Fiscal Year and Short Year Filers. The credit may be claimed in the first income tax year that begins in the calendar year the qualified property taxes were paid.

Fiscal Year Filers. Taxpayer's with a fiscal year beginning in 2024 and ending in 2025 may complete Part B for qualified property taxes paid during the entire 2024 calendar year. The credit claimed in this fiscal year cannot include any qualified property taxes paid in 2025.

Short Year Filers. Taxpayers with a short period beginning in 2024 and ending in 2025. If this is the first short year beginning in 2024, complete Part B for qualified property taxes paid during the entire 2024 calendar year.

Taxpayers with a short period beginning and ending in 2024. If this is the first short year beginning in 2024, complete Part B for the qualified property taxes paid during the entire 2024 calendar year. You may have to file an extension to be sure that the information will be available in Look-up Tool at the time you file the first short year return. Taxpayers filing for the second short period beginning in 2024 cannot claim the credit on the second short period return.

Information must be entered separately for each parcel for which qualified property taxes were paid in calendar year 2024. A separate entry must also be made for each property tax year for which qualified property taxes were paid in 2024. If Part B does not have enough rows to include all the parcels or years for which you paid qualified property taxes, attach a schedule in the same format as Part B.

Example 1. Joe Pear owns two parcels in Lancaster County and paid property taxes on those parcels for the 2023 and 2024 property tax year during the 2024 calendar year. Joe owned parcel 17-12-345-678-000 for the entire 2024 calendar year and purchased parcel 17-87-654-321-000 on July 1, 2023. The total property taxes paid were:

Property Tax Year	Parcel ID Number	Total Property Taxes Paid

2024	17-12-345-678-000	\$6,100
2023	17-87-654-321-000	\$2,650

Part B of Form PTC should be completed as follows:

Property Tax Year. Enter the property tax year for which the qualified property taxes were levied. Most taxpayers pay their property taxes in the year after the taxes were levied. If more than one year of property taxes were paid in the 2024 calendar year, a separate entry must be made for each property tax year. See example 1 above.

Nebraska County Number. Enter the number assigned to the county where the parcel is located. This number is provided by the Look-up Tool or may be found on the <u>County Parcel ID Search</u>. This number is not the same as the county number used for license plates. Do not enter the county number from a license plate.

Parcel ID Number. Enter the parcel ID number assigned by the county assessor to the parcel. This number may be found on the Real Estate Tax Statement issued by the county treasurer where the parcel is located. The parcel ID number may also be found using the Look-up Tool. Beginning September 2, 2023, any property taxes paid that were delinquent for five years or more at the time of payment cannot be included in the tax credit calculation.

LB 34 enacted in the 2024 special session created the School District Property Tax Relief Act. This act provides property tax relief for school district taxes directly on the property tax statement reducing property taxes before they are paid, instead of refunding taxes after they are paid.

For tax years beginning on or after January 1, 2024, the Form PTC will only be used to claim a credit for community college property taxes paid.
