Instructions

Purpose. The purposes of the Nebraska Incentives Credit Computation, Form 3800N, are to:

- Identify the program for which each tax credit is claimed;
- Identify the amount of tax credits used from each program;
- Identify distributed credits;
- Identify the specific project for which the tax credits were received; and
- Distinguish between and apply refundable and nonrefundable incentive tax credits appropriately.

Who Must File. Every taxpayer must complete the Form 3800N, to use any of the credits listed on lines 6 through 28 of this form.

Note: When claiming nonrefundable credits, the credits should be used in the order listed below:

- Renewable Energy Tax credit;
- Nebraska Advantage Rural Development Act credit;
- Nebraska Advantage Research and Development Act credit;
- Individuals with Intellectual and Developmental Disabilities Support Act Employers Credit (IIDDSA);
- New Markets Tax Credit (NMTC);
- Nebraska Historic Tax Credit (NHTC);
- Nebraska Affordable Housing Tax Credit (AHTC);
- Employment and Investment Growth Act (LB 775) credit;
- Nebraska Advantage Act (LB 312) credit;
- Food Bank, Food Pantry, Food Rescue Donation Tax Credit;
- Nebraska Shortline Rail Modernization Act (NSR);
- ImagiNE Nebraska Act (LB 1107) credit;
- Key Employer and Job Retention Act credit;
- Urban Redevelopment Act (LB 544) credit;

When and Where to File. The Form 3800N must be completed and attached to the income or financial institution tax return filed by an individual, corporation, partnership, S corporation, limited liability company (LLC), exempt cooperative, or fiduciary for which a credit is claimed.

Partners, shareholders, members, patrons, or beneficiaries who are allowed any credits distributed by a partnership, S corporation, LLC, cooperative, or fiduciary should complete lines 1 through 19 and 29. A copy of the Nebraska Schedule K-1N filed by the partnership, S corporation, LLC, cooperative, or fiduciary must be attached to the taxpayer's Form 3800N. These credits may be used to reduce the taxpayer's income tax liability. Any NMTC, NHTC, AHTC, or HBTC can also be used to reduce the taxpayer's insurance premium tax liability or financial institutions franchise tax liability. Except for credits earned under the RCP, HBTC and BDTC, credits passed through to the taxpayer by a partnership, S corporation, LLC, cooperative, or fiduciary are not refundable.

Records. All claimants must retain records for at least three years after filing the tax return claiming the credit. If the taxpayer will be carrying forward any unused credits for incentive programs which allow credits to be carried forward, the records supporting the original credit must be kept for at least three years after filing the last return on which the credit carryforward is used.

Foreign Adversarial Company. Indicate whether or not the taxpayer is a foreign adversarial company (FAC) or claiming credits from a business that is, or is owned in whole or part, by an FAC, as defined by Neb. Rev. Stat. § 77-3,114. An FAC is ineligible to receive incentive benefits. Credits distributed from an FAC are ineligible for tax credit benefits.

If the answer is No, continue with the remainder of the form. If the answer is Yes because the taxpayer is an FAC, do not complete the remainder of the form.

If the answer is Yes because the taxpayer is claiming credits from a business that is, or is owned in whole or in part, by an FAC, you may not claim any credits from the FAC. Only enter credits from entities that are not an FAC. Failing to answer will result in denial or delay in processing the credits claimed.

Foreign adversarial company means a company that:

- Is organized under the laws of a foreign adversary;
- Has its principal place of business within a foreign adversary;
- Is owned in whole or in part, operated, or controlled by the government of a foreign adversary; or
- Is a subsidiary or parent of any company that meets any of the above criteria.

Foreign adversaries as defined under 15 C.F.R. 791.4, as such regulation existed on April 1, 2025 are:

- The People's Republic of China, including the Hong Kong Special Administrative Region and the Macau Special Administrative Region (China);
- Republic of Cuba (Cuba);
- Islamic Republic of Iran (Iran);
- Democratic People's Republic of Korea (North Korea);
- Russian Federation (Russia); and
- Venezuelan politician Nicolás Maduro (Maduro Regime).
