Who Must File. Every retailer must file a Form 10. Retailers include remote sellers and Multivendor Marketplace Platforms (MMPs) with more than \$100,000 of retail sales or 200 or more transactions in Nebraska in the previous or current calendar year. All retailers must hold a Nebraska Sales Tax Permit.

How to Obtain a Permit. You must complete a Nebraska Tax Application, Form 20, to apply for a sales tax permit. After the application has been processed, you will receive your Nebraska sales tax ID number printed on the permit. A PIN to file your sales tax returns electronically will be provided in this same mailing.

When and Where to File. This return and payment are due the 20th of the month following the tax period covered by the return. Paper returns must be mailed to the Nebraska Department of Revenue, PO Box 98923, Lincoln, NE 68509-8923. Retain a copy of this return and all schedules and worksheets for your records.

Electronic Filing. All retailers are encouraged to e-file Form 10 using NebFile for Business. Retailers approved to file a combined return or required to pay electronically, must e-file Form 10. It is very important to keep the preparer information current. Click on Business Information to update the contact information for the preparer. If you have questions about e-filing or payment options, visit the Department of Revenue's (DOR) website: revenue.nebraska.gov.

Preidentified Return. Retailers will be mailed a preidentified paper return if they did not e-file a Form 10 previously and are not required to pay electronically. This return should only be used by the retailer whose name is printed on it. If you have not received your preidentified return for the tax period, you may print a Form 10 from DOR's website. After filing electronically you will no longer be mailed paper returns. Name and Address Changes. If the business name has changed and it is a name change only (for example, if the ownership or federal ID number has not changed),

mark through the previous name and plainly print the new name and write "name change only." If there is a change or correction in the name or address, mark through the incorrect information and plainly print the correct information. If this is the result of a relocation of your business, indicate this by writing "relocated" next to the change made. If you are e-filing, you may make an address change during filing through the Business Information link; however, **name** changes must be done by filing a Nebraska Change Request, Form 22. See previous paragraph for name change information. Reminder: A sales tax permit is required for each location. If an additional location is opened, you must apply for another sales tax permit by filing a Form 20.

Ownership Changes. A change in ownership, or type of ownership (individual to a partnership, partnership to a corporation, etc.) requires you to cancel your permit and obtain a new permit for the new business. To cancel the old permit, check the box in the upper left corner of the Form 10. Nebfilers need to check the box on the General Information page to cancel the old permit. The new owners must complete a Form 20 to obtain their own sales tax permit. The new owners of the business should not use the previous owner's preidentified sales and use tax return.

Credit Returns. If line 11 is a credit amount, documentation must be sent with the return to support the credit. This documentation must include a letter of explanation, invoices, and/or credit memos issued to customers. When e-filing, complete the explanation box with information on the credit. You will be contacted if additional documentation is required. If a credit is shown on line 11, it may be applied to a balance shown on line 12, if any, or used on future returns. If the credit cannot be used in a reasonable amount of time, a Claim for Refund of Sales and Use Tax, Form 7, may be filed. The statute of limitations for filing the Form 7 is generally three years from the due date following the end of the period for which the credit was created.

Amended Returns. An <u>amended Form 10</u>, available on DOR's website, may only be filed by paper. If you file an amended combined Form 10 then you must include a paper version of the Schedule II. Mandated retailers must pay all balance dues electronically. If you e-file, you can make changes to your filed return any time on or before the return's due date. This feature is for **current** tax period returns only.

Penalty and Interest. If a return is not filed and/or is not paid by the due date, a penalty may be assessed in the amount of 10% of the tax due or \$25, whichever is greater. Interest on the unpaid tax will be assessed at the rate printed on line 12 from the due date until payment is received.

Retention of Records. Records to substantiate this return must be kept and be available to DOR for a period of at least three years following the date of filing the return. Additional information regarding sales and use taxes may be found in the "Information Guides" section of DOR's website.

Specific Instructions

Retailers must report the tax due for each type of tax. If no sales or use tax is due, the retailer must still file a return and indicate it by entering a zero, N/A, drawing a line, writing a word, or statement on the appropriate line. Failure to do so extends the statute of limitations to six years for audit purposes.

Complete the Nebraska Net Taxable Sales and Use Tax Worksheets to assist with the Form 10.

Line 1. Enter the total dollar amount of ALL Nebraska sales, leases, rentals, and services made or facilitated by your business or by an MMP on your behalf. Enter both taxable and exempt sales. Line 1 does not include the amount of sales tax collected.

Line 2. Complete the Nebraska Net Taxable Sales and Use Tax Worksheets for allowable exemptions or deductions, including the MMP deduction. Enter the Nebraska net taxable sales rounded to the nearest whole dollar. If you had sales in a Good Life District (GLD), complete Section C prior to calculating Line 3. Retailers making sales through MMPs refer to the MMP Users Only instructions below.

Lines 4 and 5. Transactions Subject to Use Tax. Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. Use tax is due on your cost of these items or taxable services. If you have use tax transactions within a GLD, complete Section C prior to completing Line 4. Refer to the Information Guide on Nebraska Use Tax.

IMPORTANT NOTE: The amount of state use tax reported on Line 4 that is from the purchase, lease, or rental of an aircraft must also be reported on Line 4b of Section B of Schedule I, see below.

Line 6. Complete Schedule I and bring totals to this line.

Line 8. The retailer is allowed to retain a fee for collecting the Nebraska and local sales tax.

Line 12. A balance due resulting from a partial payment, mathematical or clerical errors, penalty, or interest relating to prior returns is entered on this line. The amount of interest includes interest on unpaid tax through the due date of this return. If the amount due is paid before the due date, interest will be recomputed and adjusted on your next return. If you have sent payment for the amount shown on Line 12, please do not add into Line 13. A credit is indicated by the word "subtract" and can be subtracted from the amount due on line 11. However, if your records do not support this credit, please contact DOR.

Line 13. All taxpayers are encouraged to make payments electronically. E-payments can be made while e-filing the Form 10. A \$100.00 penalty will be assessed if you send a paper check when mandated to make electronic payments. Electronic payments may be made using DOR's free e-pay program (EFT Debit), by ACH Credit, credit card, or by phone. Refer to DOR's website for payment options.

Signatures. This return must be signed by the taxpayer, partner, officer, or member. Include a daytime phone number and email address in case DOR needs to contact you about your account. E-filed returns filed by preparers must keep their preparer contact information current. This is done on the Business Information page on NebFile.

Nebraska Schedule I

The Schedule I displays the name of any city or county that local sales or use tax that has been reported in during the last 12 months. Enter the local sales and use tax due for city or county. Retailers that make sales using an MMP should enter the result of the total local sales tax due by the retailer, and the MMP reports and remits the local sales tax on their own return. A city or county may be added by writing the information in the blank boxes on Schedule I. You can find listings of all the cities or the one county and their sales tax rates on DOR's website.

Line 1, Local Use Tax. Total the amounts reported in the use tax column and enter the total from Nebraska Schedule I, on line 5, Form 10.

Line 2, Local Sales Tax. Total the amounts reported in the sales tax column and enter the total from Nebraska Schedule I, on line 6, Form 10.

Section A - Multivendor Marketplace Platform (MMP) Users Only

Only those retailers making sales into Nebraska using an MMP must enter the dollar amount of Nebraska sales remitted by MMPs that are collecting Nebraska sales tax on their behalf. Retain documentation from your MMPs that substantiates this amount.

Section B - MVL, ATV, UTV, Motorboat Leases or Rentals; or Aircraft Sales or Leases.

Enter the portion of the state sales tax (reported on Line 3, Form 10) that is from all leases or rentals of: (1) automobiles, trucks, trailers, semitrailers, and truck tractors for periods of more than 31 days that are not classified as transportation equipment, see the Nebraska Sales Tax on Leased Motor Vehicles Information Guide; (2) all-terrain and utility-type vehicles; or (3) motorboats and motorized personal watercraft (for example, jet skis or wave runners). (4a.) Enter the portion of state sales tax included on Line 3, Form 10 that is from the sale, lease, or rental of aircraft. (4b.) Enter the portion of state use tax included on Line 4, Form 10 that is from the purchase, lease, or rental of aircraft. Aircraft means any contrivance now known, hereafter invented, used, or designed for navigation of or flight in the air. For example, this includes airplanes, drones, and hot air balloons.

Section C - Good Life District (GLD)

Complete Section C only if you have sales tax and/or use tax to report from **transactions INSIDE a GLD.** The state sales and use tax rate is 2.75% on sales made within a GLD and within a city's limits. Transactions inside a GLD generally means the purchaser takes possession of the property or receives the service within the GLD. If all of the sales and/or use tax that you are reporting is from OUTSIDE a GLD in Nebraska, or from inside a GLD but not within a city's limits, do not complete Section C.

Section C is completed to calculate the correct state sales tax to report on Line 3, Form 10, and state use tax to report on Line 4, Form 10, when you have any taxable transactions INSIDE a GLD. See our <u>Sales Tax Rate Finder</u> to identify the correct rate by address.

Line 1 through 5. Report the Nebraska sales and use **tax** on transactions made INSIDE a GLD and inside a city's limits. Calculate the state sales tax using the tax rate printed in the State Rate column multiplied by just those net Nebraska taxable sales made within these GLDs. Enter the state sales tax on these sales in the State Sales Tax column. If you have taxable amounts subject to Nebraska use tax, calculate this amount using the rate printed in the State Rate column. Enter this use tax in the State Use Tax column, as applicable.

Line 6. This line is to report the state sales and use <u>tax</u> on transactions made OUTSIDE a Nebraska GLD or inside a GLD but outside a city's limits. Calculate the state sales tax using the rate printed in the State Rate column and enter on line 6.

TOTAL: Enter the State Use Tax total on Line 4, Form 10. Enter the State Sales Tax total on Line 3, Form 10.

If Section A, B, or ${\bf C}$ is completed, that page of Schedule I MUST be submitted with the Form 10.

Maps of the Good Life Districts can be found on the <u>Sales Tax Rate Finder</u>, and FAQS for GLDs are on our website.
