Individual Income Tax Booklet

The Nebraska Department of Revenue (DOR) will discontinue printing and mailing individual income tax booklets. For tax years 2023 and after, the income tax forms and instructions will not be mailed and may be obtained from DOR's website.

E-file your return.

NebFile offers **FREE** e-filing of your state return.

All taxpayers can use the Fed/State program to e-file federal and Nebraska tax returns.

File online by purchasing software from a retailer, or with an authorized tax return preparer.

When electronically submitting the return, use the electronic payment option to schedule a payment to pay the balance due or make estimated income tax payments. Or use the DOR e-pay system to schedule payments after e-filing the return.

For more information or to use any of
DOR electronic services, go to
revenue.nebraska.gov

Advantages of E-filing

E-filing was the choice for over 90% of Nebraska individual taxpayers last year. Some taxpayers used a tax preparer, while others filed their own tax return using the Internet. Faster refunds, fewer errors, and a confirmation that your tax return was received are just a few of the advantages of e-filing your tax return.

Your E-file Options

- ◆ **NebFile.** Nebraska residents can e-file their Nebraska tax returns for free using the Nebraska Department of Revenue's (DOR's) NebFile for Individuals program. Residents using NebFile will complete a registration the first time they access the system each year. Make sure the email you enter is correct. When registration is complete, a password will be emailed to you within five minutes. Then, use your SSN and the assigned password to login to NebFile. You must have a valid email address to complete the registration and be assigned a NebFile password.
 - To use NebFile:
 - You must be a full-year Nebraska resident;
 - You must first complete your federal return; and
 - You cannot claim certain credits.
- ◆ **Tax preparer e-file.** See your local tax preparer displaying the e-file logo.

Note: Be sure to select software that supports the forms necessary to complete your return. Some software will allow you to attach scanned documents to your electronic return. If you have problems with commercially-offered e-file software, you must report it to the software company, not to DOR.

- ◆ **Commercially-offered Internet e-file.** See a list of all Nebraska approved e-file software. Each e-file software product offers different capabilities.
- ◆ **Commercial software.** If you are purchasing software to prepare and file your Nebraska return, check DOR's website first to confirm whether the software supports e-file for Nebraska returns. Before filing your return, download any updates provided by the software company.

Before You Start

- ◆ Gather all your tax records including wage statements and interest and dividend statements (Forms W-2 and 1099). It is important to have all the forms before filing to avoid the need to file an amended return. Verify the forms are for tax year 2022.
- ◆ Check your eligibility to use NebFile.
- ◆ Have your completed federal return available for reference.

Before You Submit Your Return

- ◆ Verify your banking information is correct. The banking information cannot be changed after the tax return has been submitted. If the financial institution returns the direct deposit to DOR, allow up to two weeks for the direct deposit to be changed to a refund by check.
- ◆ When requesting a refund by direct deposit or e-paying your taxes, verify that your bank routing and account numbers are correct.
- ◆ Verify your address is correct. You may not receive your refund or important notices from DOR if the address is not current.

After You E-file Your Return

- ◆ Retain a copy of your return and keep it with your records.
- ◆ Regardless of how you e-file, make sure you receive verification that your Nebraska return was accepted. Commercial software will send an email indicating the return has been submitted to Nebraska and another email will be sent when the Nebraska return is accepted by DOR. If the Nebraska return is NOT accepted, an email will be sent indicating the Nebraska return has been rejected and will indicate the errors that need to be corrected before resubmitting the Nebraska return. If you are using NebFile, NebFile will assign a reference number at the time you submit the return and you will not be sent an email.
- ◆ Unless otherwise instructed, do not mail anything to DOR.

What's New?

Credit for Nebraska School District and Community College Property Taxes ([LB 873](#) – Operative July 21, 2022). This Act allows a refundable credit to retail dealers who stored, dispensed, and sold ethanol blends of gasoline of E-15 or higher at Nebraska retail motor fuel sites during the prior calendar year. For calendar year 2022, the total credits are limited to \$2 million dollars. To receive credits, an application must be submitted to the DOR each year. Applications will be considered by the DOR in the order received. New applications will not be accepted after December 31, 2026.

Stillborn Child Refundable Tax Credit, [LB 432](#) (2021). For tax years beginning on or after January 1, 2022, LB 432 provides a \$2,000 refundable tax credit to the parent of a stillborn child in the year the stillbirth occurred. Additional requirements include submitting the Birth Resulting in Stillbirth Certificate issued by the Nebraska Department of Health and Human Services, the child advanced to at least the 20th week of gestation, and the child would have been a dependent of the individual claiming the credit.

Phase out of the taxation of social security benefits, [LB 873](#) (2022). LB 873 phases out the taxation of benefits received under the federal Social Security Act on the Nebraska individual income tax return. For tax year 2022, the percentage reduction is 40%. Taxpayers can claim either the percentage reduction enacted by LB 873 or the previously existing exemption for low-income recipients, whichever is greater. For tax year 2022, married filing jointly taxpayers with federal AGI of \$61,760 or less and taxpayers filing any other return with federal AGI of \$45,790 or less may continue to reduce federal AGI by 100% of the social security benefits included in federal AGI. The income thresholds are indexed for inflation each year.

Provisions changed relating to the taxation of military retirement benefits, [LB 387](#) (2021). LB 387 provides that all military retirees may exclude 100% of the military retirement benefits from the income subject to Nebraska income tax to the extent included in federal AGI beginning with tax years 2022. Military retirement benefits attributable to service in the uniformed services include military retirement benefits reported on the IRS Form 1099-R, issued by either the U.S. Department of Defense or the U.S. Office of Personnel. For tax years beginning on or after January 1, 2022, military retirees no longer need to submit the Election to Exclude Military Retirement Benefits, [Form 1040N-MIL](#) to exclude military benefits within two years of the military retirement date.

Deduction for Firefighter Cancer Benefits Act, [LB 432](#) (2021). LB 432 enacts a new Firefighter Cancer Benefits Act. For taxable years beginning on or after January 1, 2022, federal adjusted gross income is reduced by the amount received by or on behalf of a firefighter for cancer benefits under the Firefighter Cancer Benefits Act to the extent included in federal AGI.

Teach in Nebraska Today Act student loan repayment assistance, [LB 1218](#) (2022). LB 1218 creates the Teach in Nebraska Today Act (Act). The Act provides an income tax deduction from federal AGI for student loan repayment assistance received under the Act, to the extent included in federal AGI. The Act is administered by the Nebraska Department of Education. To receive student loan repayment assistance, the individual must be a resident of Nebraska and teaching full-time or have a contract to teach full-time in Nebraska at the time of application. Eligible applicants must submit applications to the Nebraska Department of Education before June 10, 2023, and no later than June 10 of each year thereafter. Loan repayment assistance is limited to \$5,000 per year, per application. From the legislative changes section for no more than 5 years. The total amount of student loan repayment assistance awarded under the Act cannot exceed \$5 million in any fiscal year.

Changes to the Nebraska Educational Savings Plan Trust, [LB 864](#) (2022). LB 864 expands the definition of benefits in the Nebraska educational savings plan to include qualified education loan payments for the beneficiary or a sibling of the beneficiary, not to exceed \$10,000 for all taxable years combined. Qualified education loan payment means the payment of principal or interest on a qualified education loan as defined in 26 U.S.C. § 221(d), as such section existed on January 1, 2022, of the beneficiary or a sibling of the beneficiary as described in 26 U.S.C. § 152(d)(2)(B), as such section existed on January 1, 2022.

Important Information For All Nebraska Filers

Identity theft is a persistent, evolving threat. The Nebraska Department of Revenue (DOR) utilizes fraud detection and verification processes to reduce refund fraud designed to protect all taxpayers filing Nebraska returns. These steps may increase the amount of time needed to process income tax returns and issue tax refunds. The DOR is committed to processing the tax returns efficiently while safeguarding taxpayer information. Please allow a minimum of 30 days to receive your refund if you e-file an error-free return. For paper returns, please allow a minimum of three months to receive your refund if you file an error-free return. Your refund will generally be issued by July 15, if your return is filed by the April 15th due date. [See our website for additional identity theft information.](#)

Complete Your Federal Return. Your federal return must be completed before starting your Nebraska return. This information is needed to complete your Nebraska return.

Federal Return. A copy of the federal return and supporting schedules, as filed with the IRS, must be attached to this return.

Digital assets. Do not leave the question blank on the Nebraska return regarding transactions involving digital assets. If, in 2022, you engaged in any transaction involving digital assets, check the “Yes” box next to the question on digital assets on page 1 of Form 1040N directly below the social security number fields. Nebraska generally follows federal definitions. For additional information see the instructions for Federal Form 1040.

Complete Only the Lines on [Nebraska Individual Income Tax Return, Form 1040N](#), That Apply to You. If a line does not apply to your filing, leave the line blank except line 5 cannot be left blank.

Enter All Amounts as Whole Dollars. Do not include cents on the return or schedules. Do not change the pre-printed zeros in the cents column of the Form 1040N. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Federal Forms W-2, W-2G, 1099-R, 1099-MISC, and 1099-NEC. A form should be received from your employer or payor by February 15 or by March 1 if furnished by a broker. **If you have not received the form by the required date, you should immediately contact your employer or payor. Please verify that all information on these forms is correct, including the Social Security number.** If the information on these forms is incorrect, obtain a corrected form from your employer or payor. A corrected form should be clearly marked “Corrected by Employer/Payor.” If a wage and tax statement is lost or destroyed, request a substitute copy clearly marked “Reissued by Employer.”

Balance Due. Any balance due must be paid in full with your return. All taxpayers are encouraged to make their tax payments electronically. There are many electronic payment methods available. Several software products offer the option of an electronic funds withdrawal (EFW) allowing you to schedule your payment when you file your return. Other options include the DOR’s e-pay system and paying by credit card. Electronic payment is fast, secure, and easy. See the DOR’s [website](#) for additional information about all available electronic payment options.

Use Tax. Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid to the retailer. This often occurs when making purchases over the Internet or from out-of-state retailers. Check your receipts for online purchases to see if tax was collected by the retailers. See the [instructions for line 42, Form 1040N](#) if the appropriate Nebraska and local sales taxes were not collected by a retailer on any of the purchases.

Due Date. Your income tax return is due on the 15th day of the 4th month after the close of the tax year (April 15th for calendar-year filers). If the due date falls on a Saturday, Sunday, or legal holiday, you must file your return by the first business day after the 15th day of the fourth month.

Penalty and Interest. Either or both may be imposed under the following circumstances:

1. Failing to file a return and pay the tax due on or before the due date;
2. Failing to pay the tax due on or before the due date;
3. Failing to file an amended Nebraska income tax return when required;
4. Preparing or filing a fraudulent income tax return; or
5. Understating income on an income tax return.

Filing a false or fraudulent return is subject to penalty, even if the amounts reported are taken from your federal return. Unpaid tax is subject to interest at 5% from the original due date to the date the tax is paid. See [Revenue Ruling 99-22-1](#) for applicable interest rates.

A Nebraska Extension of Time. The DOR accepts the federal extension of time to file. It is only necessary to file a Nebraska extension of time if you are making a tentative tax payment or when a federal extension is not filed. An extension of time to file does not stop interest from accruing on unpaid tax. A six-month extension to file Form 1040N may only be obtained by:

1. Attaching a copy of a timely-filed Application for Automatic Extension of Time to File U.S.

Individual Income Tax Return, Federal Form 4868, to the Nebraska return when filed;

2. Attaching a schedule to your Nebraska return listing your federal confirmation number and providing an explanation that you received a federal extension;
3. Filing a [Nebraska Application for Extension of Time, Form 4868N](#), on or before the due date of the return, when you need to make a tentative Nebraska payment or if a federal extension was not requested; or
4. Attaching a copy of the statement or letter submitted with your federal return requesting the automatic extension of time to file for a U.S. citizen residing outside the U.S. or Puerto Rico, to the Nebraska return when filed.

If you have an authorized IRS tax preparer e-file your return, Nebraska will grant you an automatic extension to file. If you e-file your own return using software you have purchased or accessed from the Internet, you will be required to mail in a Nebraska Form 4868N. See above for further instructions.

Note: If you have a combat zone-related or contingency operation-related extension, see the DOR's website for [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

If the extension documentation is not attached, a late filing penalty may be imposed. Any tax not paid by April 15 is subject to interest. An extension of time cannot exceed a total of six months after the original due date of the return.

Estimating Your 2023 Income Tax. The [2023 Nebraska Individual Estimated Income Tax Payment Vouchers](#) booklet is available on the DOR's website or you can contact the DOR. You are encouraged to make estimated income tax payments using the DOR's [e-pay](#) system or using the EFW option when e-filing your 2022 Nebraska return. The EFW option is offered by many software products.

Estimated Income Tax Payments and Penalty for Underpayment of Estimated Income Tax. You may owe a penalty if your estimated income tax payments did not total at least:

- ◆ 90% of the tax shown on your 2022 Nebraska return;
- ◆ 100% of the tax shown on your 2021 return; or
- ◆ 110% of the tax shown on your 2021 return if AGI on the return was more than \$150,000; or, if your filing status is married, filing separately, more than \$75,000.

See the [Individual Underpayment of Estimated Tax, Form 2210N](#), instructions.

An individual who did not pay enough estimated income tax by any of the applicable due dates (April 15, June 15, September 15, and January 15), or who did not have enough state income tax withheld, will be assessed a penalty. This may be true even if you are due a refund. The underpayment penalty is calculated separately for each installment due date (four equal and timely payments). You may owe a penalty for an earlier payment that was due, even if you paid enough estimated income tax later to make up the underpayment.

See the DOR's website for: [Nebraska Income Tax for U.S. Servicemembers, Their Spouses, and Civilians Working with U.S. Forces Information Guide](#).

Active Duty Military Servicemembers. Your active duty military pay is taxed only by the state where you are a legal resident. Your place of legal residence at the time of entry into the service is presumed to be your state of legal residence or domicile. Your state of legal residence stays the same until it is established in another state. Moving to a new location for a limited period of time, including a permanent change of station, does not change your legal residence. Nebraska income tax is imposed on the total federal adjusted gross income (AGI) of a Nebraska resident who is a member of the uniformed services, regardless of where the income is received.

Check the box "Active Military" on [Form 1040N](#) if you or your spouse were active military servicemembers at any time during the tax year (including National Guard or Reserve personnel called to active duty). Taxpayers receiving combat pay have the same extended due date for filing a Nebraska return as for the federal return.

Military pay received by a nonresident servicemember stationed in Nebraska is not subject to Nebraska income tax. Other income derived from Nebraska sources by a servicemember, such as income earned from a separate job not connected with the servicemember's military service, is subject to Nebraska income tax. See special [instructions for line 20, Nebraska Schedule I](#).

The federal Servicemembers Civil Relief Act provides that Nebraska cannot tax the income of a nonresident servicemember's spouse when the spouse has the same state of residence as the servicemember and is in Nebraska only in support of the servicemember. A Nebraska resident servicemember's spouse, who is also a Nebraska resident and who works and resides in another state, is required to file a Nebraska income tax return. More information is available in the [instructions for line 20, Nebraska Schedule I, line 1, Nebraska Schedule III](#), and on the DOR's website.

Foreign Income. Income earned by a Nebraska resident while living in another country is taxable by Nebraska. Individuals who previously filed as Nebraska residents continue to be Nebraska residents until they abandon their Nebraska domicile and a new domicile is established. Most taxpayers remain Nebraska residents and are required to file Nebraska returns, even while living in another country.

Deceased Taxpayer. A tax return must be filed and any liability must be paid if the deceased otherwise met the filing requirements. A deceased taxpayer's spouse, personal representative, or other person may file and sign a return for a taxpayer who died before filing a 2022 return. A personal representative is an executor, administrator, or anyone else who is in charge of the deceased taxpayer's property. Additional documentation will be required when claiming a refund on behalf of a deceased taxpayer, unless the deceased is your spouse with whom you are filing as married, filing jointly for this tax year.

"DECEASED" must be written across the top of a paper return and the taxpayer's name and the date of death must be shown in the space provided. See additional instructions for deceased taxpayers in the "How to Complete your Form 1040N" section on page 7.

Fiscal Year Returns. The taxable year used for Nebraska must be the same as the taxable year used for federal income tax purposes. For fiscal years beginning after January 1, 2022, the [2022 Nebraska Tax Calculation Schedule](#) or [Tax Table](#), must be used without adjustment.

Due Date for Fiscal Year Returns. The due date for a fiscal year return is the 15th day of the fourth month following the end of the taxable year. If the due date falls on a Saturday, Sunday, or legal holiday, you must file your return by the first business day after the 15th day of the fourth month following the end of the taxable year.

Refer to [instructions for line 29](#), Form 1040N, for additional information on a fiscal year taxpayer claiming the income tax withholding credit.

Taxpayers filing fiscal year returns may not e-file their Nebraska return.

Who Must File?

A Nebraska resident who:

- ◆ Is required to file a federal individual income tax return reporting a federal tax liability before credits; or
- ◆ Has \$5,000 or more of net Nebraska adjustments to federal AGI including non-Nebraska state and local bond interest exempt from federal tax (see Nebraska Schedule I instructions).

A partial-year resident or a nonresident who:

- ◆ Has income derived from or connected with Nebraska sources.

Definitions

Domicile. Domicile is the place an individual has his or her permanent home. Even if the individual is absent at times, domicile is the place where the individual intends to return. Actual residence is not necessarily domicile. An individual establishes domicile in Nebraska on the date he or she arrives in the state for other than temporary or transitory purposes. Once domicile is established, it remains the individual's domicile until it is abandoned. Domicile in Nebraska is abandoned when an individual leaves the state, abandons the Nebraska domicile with no intention of maintaining his or her true, fixed, and permanent home in Nebraska; and establishes a domicile in another state while present in the other state for other than temporary or transitory purposes.

Partial-Year Resident. A partial-year resident is an individual who is a resident for part of the year, but less than the entire year. To be a partial-year resident, a taxpayer must change domicile during the year, either moving into or out of Nebraska.

Permanent Place of Abode. A permanent place of abode is a dwelling place permanently maintained by the taxpayer, whether or not it is owned by the taxpayer. A dwelling means a house, apartment, room, or other accommodation including those used for vacation purposes, suitable for human occupation. It does not include a vacation camp, cottage, or dwelling place occupied only temporarily.

Resident. A resident is an individual whose domicile is in Nebraska, or an individual who is physically present in this state and maintains a permanent place of abode within this state for an aggregate of more than six months. Nebraska residency will be determined by Nebraska law. If an individual maintains a permanent place of abode in Nebraska and is present in Nebraska for at least 183 days during the tax year, that individual is a Nebraska resident even if domiciled in another state. For this purpose, Nebraska considers any part of a day spent in Nebraska as a day spent in the state.

For additional information, refer to the [Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide](#) on the DOR's website.

How to Complete your Form 1040N

Name and Address. When filing a paper return, enter or clearly print your name and correct mailing address information in the spaces provided. Include your spouse's name if filing a joint return.

Social Security Numbers. You must enter your Social Security number (SSN) or Individual Tax Identification Number (ITIN) on the form in the boxes indicated. Include your spouse's SSN or ITIN if filing a joint return.

The Privacy Act of 1974 provides that when the DOR asks you for your Social Security number (SSN), you must first be told of the DOR's legal right to ask for this information, why the DOR is asking for it, and how it will be used. The DOR must also tell you what would happen if it is not received and whether your response is voluntary, required to obtain a benefit, or mandatory under the law.

The legal right to ask for the information is [Neb. Rev. Stat. § 77-27,119](#). This law says that you must include your SSN on your return. Your response is mandatory under this section. The SSN is needed to properly identify you and process your return and other documents.

Public High School District Data. All residents and partial-year residents domiciled in Nebraska on December 31, 2022, must enter the high school district code where you are domiciled (permanent residence). This information is also required if you reside outside Nebraska but are still domiciled in Nebraska. Nonresidents or partial-year residents not residing in Nebraska on December 31, 2022, do not enter a high school district code. This information is required by law to assist the Nebraska Department of Education in determining the state aid for Nebraska's K-12 public school systems.

Farmer/Rancher. Farmers or ranchers deriving at least two-thirds of their yearly gross income for the current or previous tax year from farming or ranching must check the box "Farmer/Rancher" below the SSN block. A farmer or rancher who files the 2022 Form 1040N and pays the Nebraska income tax due on or before March 1, 2023, is not required to make estimated income tax payments during 2022; otherwise, the entire amount of estimated income tax must be paid by January 15, 2023. If you file or pay after March 1, 2023, you may be assessed a penalty for failure to properly pay estimated income tax. An extension of time cannot be used to extend the March 1 filing date.

Active Military. Check the box "Active Military" below the SSN block only if you or your spouse were on active military duty status at any time during 2022. This includes National Guard/Reservists called to active duty during 2022.

Deceased. If the taxpayer or spouse is deceased, enter the first name of the deceased person and the date of death in the space provided.

◆ **A Surviving Spouse** filing for a deceased taxpayer's refund must:

Write "surviving spouse" in the signature block if you are filing a paper Form 1040N for the deceased. No further documentation is required.

◆ When a court-appointed personal representative files an original or amended return on behalf of a deceased person, he or she must attach a copy of one of the following with the completed and signed Form 1040N or 1040XN:

- The court order showing proof of appointment (Letters of Appointment); or
- A copy of the probated will.

◆ Other persons requesting a deceased taxpayer's refund should complete a [Statement of Person Claiming a Refund Due to a Deceased Person, Form 1310N](#), and attach one the following:

- Death certificate (need not be certified); or
- Formal notification from the appropriate government office (for example, Department of Defense, Department of Health and Human Services, or Department of State) informing the next of kin of the deceased person's death.

Line 1

Federal Filing Status. Your Nebraska filing status is the same as your federal filing status. Check the Widow(er) with dependent children box on the Nebraska return if you checked the box "Qualifying surviving spouse (QSS)" on the federal return.

There is an exception for married, filing jointly taxpayers where one spouse is a Nebraska resident and the other spouse is a nonresident or partial-year resident of Nebraska. These taxpayers may elect to file either a married, filing jointly return (both spouses are taxed as residents) or married, filing separately returns with Nebraska.

If you file a married, filing separately return for Nebraska, it must be calculated as if a married, filing separately federal return had been filed. The married, filing separately income, deductions, and exemptions must be used. The spouse's SSN and name must be entered on the married, filing separately line.

Nonresident military servicemembers should review line 20, Nebraska Schedule I instructions.

Line 2a	<p>Check the appropriate boxes if, during 2022:</p> <p>Box 1. You were 65 or older (taxpayers born before January 2, 1958);</p> <p>Box 2. You were blind;</p> <p>Box 3. Your spouse was 65 or older (taxpayers born before January 2, 1958); or</p> <p>Box 4. Your spouse was blind.</p>
Line 2b	Check the appropriate boxes if someone, such as a parent, can claim you or your spouse as a dependent on their return.
Line 3	<p>Type of Return. Check the appropriate box if, during 2022:</p> <p>Box 1. You were a resident;</p> <p>Box 2. You were a partial-year resident; or</p> <p>Box 3. You were a nonresident.</p> <p>Partial-year residents must also complete dates of residency. Nonresidents and partial-year residents must complete and attach Form 1040N, Schedule III, even if all income is earned in Nebraska. If one spouse is a full-year resident and the other is a nonresident or partial-year resident, and they elect to file a married, filing jointly return, a resident return must be filed and Schedule III cannot be used. For additional information, refer to the Determining Residency Status for Nebraska Individual Income Tax Filing Information Guide on the DOR's website.</p>
Line 4a	Enter 1 in line 4a for yourself. You cannot enter a 1 in line 4a if you are claimed by another taxpayer for child tax credit or dependent tax credit purposes. The box should be left blank if a 1 is not entered.
Line 4b	If your status is married, filing jointly enter 1 in line 4b for your spouse. You cannot enter a 1 in line 4b if your spouse is claimed by another taxpayer for child tax credit or dependent tax credit purposes. The box should be left blank if a 1 is not entered.
Line 4c	Enter the dependents' names and social security numbers listed in columns 1 and 2 of the Federal Form 1040 or 1040-SR that qualify for the child tax credit or dependent tax credit. If you have more than three dependents, attach a listing for the remaining dependents using the same format as line 4c.
Line 4	<p>Total Nebraska Personal Exemptions. Add lines 4a, 4b, and 4c and enter the result on line 4.</p> <p>If you filed a married, filing jointly federal return and elect to file married, filing separately for Nebraska because one spouse is a resident of Nebraska and the other is not, a federal return must be computed for each taxpayer as if married, filing separately federal returns had been filed. The taxpayer claiming the child tax credit or dependent credit on the reworked federal return must have earned more than half of the income used to support the family. For example, if a couple has three children, a taxpayer earning one-third of the income cannot claim any of the family's three children. Support payments are presumed to go to all children equally. The recalculated federal return information is used to determine the Nebraska personal exemptions that can be claimed on each married, filing separately Nebraska return.</p>
Line 5	<p>Federal Adjusted Gross Income (AGI). This is the amount reported on your federal return as AGI. Enter the amount from Federal Form 1040 or 1040-SR, page 1, line 11. Do not leave line 5 blank on the Nebraska individual income tax return.</p> <p>Special Circumstances.</p> <p>If you were not required to file a federal return, but must file a Nebraska return to report state and local bond interest of \$5,000 or more, you must enter all income that would have been included in federal AGI. This includes both earned income (such as wages), retirement income (such as 401K distributions, pensions, etc.), and investment income (such as dividends, bank interest, etc.).</p> <p>Nonresidents and partial-year residents must include your total federal AGI on line 5, Form 1040N, not just your Nebraska source income. When completing Nebraska Schedule III, you will report Nebraska income and apportion your tax liability based on a calculated ratio of Nebraska income to total income.</p>
Line 6	<p>Nebraska Standard Deduction. Enter your Nebraska standard deduction. If you use the standard deduction on the federal return, you must use the Nebraska standard deduction on the Nebraska return. All taxpayers that claimed itemized deductions on their federal return are allowed the larger of the Nebraska standard deduction or federal itemized deductions, minus state and local income taxes claimed on Federal Schedule A.</p> <p>If you or your spouse cannot be claimed by another taxpayer for the child tax credit or dependent tax credit, enter the appropriate Nebraska standard deduction from the following chart. Do not enter the amount of your federal itemized deductions.</p>

If you or your spouse can be claimed by another taxpayer for child tax credit or dependent tax credit purposes, your standard deduction is the smaller of the federal standard deduction allowed on line 12 of the Federal Form 1040 or 1040-SR, or the Nebraska standard deduction from the following chart.

The DOR must have received certification of the qualified volunteer for at least two years to claim the tax credit. A qualified volunteer is an emergency responder, rescue squad member, or volunteer firefighter who has accumulated at least 50 points during each year of service. Line 38

Stillborn Child Tax Credit. A parent who experienced the stillbirth of a child in Nebraska may qualify for a \$2,000 income tax credit upon meeting all the following requirements:

- ◆ The Birth Resulting in a Stillbirth Certificate issued by the Nebraska Department of Health & Human Services must be attached when claiming the credit.
- ◆ The stillborn child advanced to at least the twentieth week of gestation.
- ◆ This credit must be claimed for the taxable year in which the stillbirth occurred.

Only one credit is allowed per stillborn child. If you experienced more than one birth of a stillborn child, attach the Birth Resulting in a Stillbirth Certificate for each child and allow \$2,000 for each stillborn child, entering the total on line 38.

Line 40 **Penalty for Underpayment of Estimated Tax.** Use Nebraska [Individual Underpayment of Estimated Tax, Form 2210N](#), to determine if you owe this penalty. Also, see [page 5 of these instructions](#). If you are required to calculate a Form 2210N penalty, report it on line 40, check the box, and attach Form 2210N to your return. Do not include any late filing penalty on this line.

Line 41 **Total Tax and Penalty.** Add lines 28 and 40.

Line 42 **Use Tax.** Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. You may owe use tax if you have not paid the Nebraska sales tax or any applicable local sales tax on purchases delivered into Nebraska from out-of-state, mail order, or Internet sellers. Nebraska law requires that if sales tax is not collected by the seller on any taxable sale, the purchaser must remit the applicable use tax directly to the state. See the Nebraska Use Tax Information Guide for additional information.

Enter your total taxable 2022 purchases if Nebraska sales tax was not collected by the seller. Multiply this amount by 5.5% (.055). If local tax applies, enter your local code from the local sales and use tax codes and rates schedule on [page 38 of these instructions](#), and multiply your total taxable purchases by the local rate (.005, .010, .015, .0175, or .02). Add the state and local tax amounts together and enter on line 42. You can also report only local tax not paid if your vendor charged you the state tax but not the local tax.

Example. You purchase a computer from a seller in South Dakota over the Internet for \$1,470 plus \$30 shipping and handling charges. Both charges are taxable. The computer is shipped to you in Scottsbluff, Nebraska and no tax is charged or collected by the seller. Your state tax is \$83 ($\$1,500 \times 5.5\% = \83) and the local tax is \$23 ($\$1,500 \times 1.5\% = \23). The total use tax owed is \$106 ($\$83 + \$23 = \106). When calculating state and local tax, round your results, and then add them together to arrive at your line 42 entry. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Special Instructions for Gage County. Gage County imposes a sales and use tax in addition to both the state and local city tax imposed by cities of Beatrice, Clatonia, Cortland, Odell, and Wymore. If only the Gage County sales and use tax has not been collected, enter 934 for the local code with a tax rate of 0.5%. For taxpayers using the local code for Beatrice (039), Clatonia (103), Cortland (116), Odell (362), or Wymore (534), include the Gage County rate of 0.5% in the local tax calculation reported. For example, if the local code of 039 is entered then 2.5% is entered for the local rate, and used for the calculation of the local tax (the Beatrice local rate of 2.0% plus the Gage County rate of 0.5% equals 2.5%).

Note: If you owe use tax to more than one Nebraska local jurisdiction, do not report use tax here. Instead, report state and local use taxes by filing the [Nebraska Individual Use Tax Return, Form 3](#).

Line 43 **Total Amount Due.** Enter the amount owed, including the applicable underpayment of estimated income tax penalty. A balance due of less than \$2 need not be paid.

statement separately from the payment to the DOR. At the end of your transaction, you will be given a confirmation number. Keep this number for your records. If you are making your credit card payment by phone, you will need to provide the Nebraska Jurisdiction Code, which is 3700.

Check or Money Order. If you are not using one of the electronic payment options described above, include a check or money order payable to the “Nebraska Department of Revenue.” Checks written to the DOR may be presented for payment electronically.

Payment Plan. If you are unable to pay the full amount of tax due, you should file your Nebraska income tax return and pay as much as you can by the filing date. You will receive a balance due notice in the mail. When that is received you can go online to set up a payment plan for the remaining balance, subject to applicable fees. Interest on unpaid tax will accrue.

The box must be checked whenever a refund will go to a bank account outside the U.S. or if a refund is sent to a bank account inside the territorial jurisdiction of the U.S. and 100% of the original refund is later transferred to a bank outside of the U.S. These refunds cannot be processed as direct deposits and instead will be mailed.

Sign and Date Your Tax Return. Include a daytime phone number in case the DOR needs to contact you about your account. By entering an email address, the taxpayer acknowledges that the DOR may contact the taxpayer by email. The taxpayer accepts any risk to confidentiality associated with this method of communication. If you do not wish to be contacted by email, write “Opt Out” on the line labeled “email address.” A married, filing jointly return must be signed by both spouses.

If another person signs the return for the taxpayer, a copy of a power of attorney or court order authorizing the person to sign the return must be on file with the DOR or attached to the return.

An unsigned return delays processing.

Nebraska Schedule II Instructions

Full-year Nebraska residents claiming a credit for income tax paid to another state, political subdivision of another state, or the District of Columbia must complete [Nebraska Schedule II](#). Partial-year residents must use [Nebraska Schedule III](#).

A separate Schedule II must be completed for each state where income tax was paid. The total credits cannot exceed the Nebraska tax liability. If some income is subject to an income tax of both another state and a political subdivision in that state, complete only one Nebraska Schedule II and combine the state and political subdivision income taxes paid.

Credit for Income Tax Paid to Another State. A credit will not be allowed unless you attach a complete copy of the other state's or political subdivision's tax return, including all schedules. If the tax is not reported on an income tax return, attach a copy of a letter or statement from the other state or political subdivision showing the income and the tax paid. For political subdivisions that do not require a return, attach the Form W-2 showing the subdivision's tax withheld.

Nebraska law does not allow credit for taxes paid to a foreign country or its political subdivisions.

Instructions

If you paid Nebraska property taxes yourself directly or through your monthly payments into escrow, use this form to claim the property tax credit. Look up your parcel in the Nebraska Property Tax Look-up Tool (Look-up Tool) to complete line 3, multiply line 3a and 3b by .30 and enter the result on lines 1 and 2 respectively.

Purpose. The Nebraska Property Tax Credit, Form PTC, is used to identify parcels and compute a tax credit for Nebraska school district and community college property taxes (qualified property taxes) paid.

Nebraska Property Tax Look-up Tool. You can determine the amount of qualified property taxes paid on a parcel in the 2022 calendar year, by using the Nebraska Department of Revenue's (DOR's) [Nebraska Property Tax Look-up Tool](#). DOR strongly recommends using this Look-up tool.

Qualified Property Taxes Paid. The qualified property taxes are paid on the date received by the county treasurer. The date qualified property taxes were received is affected by the following rules.

1. **Mortgage Escrow Accounts.** When your payment to a mortgage company includes an escrow for property taxes, the date the county treasurer receives payment from the escrow account is the date the qualified property taxes were paid;
2. **Parcel Sales – Property Taxes Funded.** When you fund property taxes at closing, the related qualified property taxes were paid when received by the county treasurer. You may claim the allowable credit only for the calendar year that the county received the money from the escrow agent;
3. **Parcel Sales – Property Taxes Reimbursed.** When the buyer reimburses the seller for property taxes that were already paid, the buyer cannot take the credit on any portion of the reimbursement because the county treasurer already received the taxes paid by the seller.
4. **County Treasurer Escrow Accounts.** When you make partial property tax payments that are held in escrow by the county treasurer, qualified property taxes are paid when applied to the parcel in the records of the county treasurer.
5. **Tax Sale Certificate.** The qualified property taxes are received by the county treasurer when collected from the person that purchased the tax sale certificate. Persons who redeem the tax certificate are repaying a loan to obtain a lien release. The redeemer cannot take the credit for the redemption.

The DOR obtains property tax data from each county treasurer. That data includes the amount of property taxes received during a calendar year. The DOR will use the county treasurer receipt data, unless you can show the county treasurer's data is incorrect.

Limitation on Qualified Property Taxes. Qualified property taxes paid do not include property taxes levied for bonded indebtedness, taxes levied as a result of an override of the limits on property tax levies approved by voters, or credits applied to the property taxes levied. The Look-up Tool automatically takes these items into account in computing the qualified property taxes paid.

Enter All Qualified Property Tax Amounts as Whole Dollars. Round any amount from 50 cents to 99 cents to the next higher dollar. Round any amount less than 50 cents to the next lower dollar.

Records. All taxpayers must retain records for at least three years after filing the tax return claiming the credit for qualified property taxes paid. Taxpayers using the DOR's Look-up Tool should print or save the information provided by the Look-up Tool.

Who Must File. Form PTC must be filed by the individual, corporation, partnership, LLC, fiduciary, or financial institution that paid the tax and is claiming the credit.

When and Where to File. Form PTC must be filed with the Nebraska income tax or financial institution tax return on which the credit is claimed.

How to Complete the Form PTC

Taxpayers claiming the credit should complete Part B before completing Part A. This form can be completed quickly and easily using the Look-up Tool.

Part A – Computation of the Credit

Part A is used to compute the credit for qualified property taxes paid and reported in Part B.

Part B – School District and Community College Property Taxes Paid in 2022

Part B is used by individuals, C corporations, S corporations, partnerships, LLCs, financial institutions, and fiduciaries that paid qualified property taxes in 2022.

Fiscal Year and Short Year Filers. The credit may be claimed in the first income tax year that begins in the calendar year the qualified property taxes were paid.

Fiscal Year Filers. Taxpayer's with a fiscal year beginning in 2022 and ending in 2023 may complete Part B for qualified property taxes paid during the entire 2022 calendar year. The credit claimed in this fiscal year cannot include any qualified property taxes paid in 2023.

Short Year Filers. Taxpayers with a short period beginning in 2022 and ending in 2023. If this is the first short year beginning in 2022, complete Part B for qualified property taxes paid during the entire 2022 calendar year.

Taxpayers with a short period beginning and ending in 2022. If this is the first short year beginning in 2022, complete Part B for the qualified property taxes paid during the entire 2022 calendar year. You may have to file an extension to be sure that the information will be available in Look-up Tool at the time you file the first short year return. Taxpayers filing for the second short period beginning in 2022 cannot claim the credit on the second short period return.

Information must be entered separately for each parcel for which qualified property taxes were paid in calendar year 2022. A separate entry must also be made for each property tax year for which qualified property taxes were paid in 2022. If Part B does not have enough rows to include all the parcels or years for which you paid qualified property taxes, attach a schedule in the same format as Part B.

Example 1. Joe Pear owns two parcels in Lancaster County and paid property taxes on those parcels for the 2021 and 2022 property tax year during the 2022 calendar year. Joe owned parcel 17-12-345-678-000 for the entire 2022 calendar year and purchased parcel 17-87-654-321-000 on July 1, 2021. The total property taxes paid were:

Property Tax Year	Parcel ID Number	Total Property Taxes Paid
2021	17-12-345-678-000	\$5,760
2022	17-12-345-678-000	\$6,100
2021	17-87-654-321-000	\$2,650
2022	17-87-654-321-000	\$5,490

Joe used the Property Tax Look-up Tool to compute the qualified property taxes he paid. Joe entered in the Look-up Tool the total property taxes he paid for the “Actual payments made by Joe Pear to Lancaster County Treasurer in calendar year 2022.” Part B of Form PTC should be completed as follows:

Property Tax Year	Nebraska County Number (Do not enter numbers from license plates.)	Parcel ID Number (Include the dashes for Lancaster County.)	Nebraska School District Property Taxes You Paid	Nebraska Community College Property Taxes You Paid
2021	55	17-12-345-678-000	2,880 00	259 00
2022	55	17-12-345-678-000	3,050 00	275 00
2021	55	17-87-654-321-000	1,325 00	119 00
2022	55	17-87-654-321-000	2,745 00	247 00
Total eligible school district and community college property taxes you paid in 2022			3a 10,000 00	3b 900 00

Property Tax Year. Enter the property tax year for which the qualified property taxes were levied. Most taxpayers pay their property taxes in the year after the taxes were levied. If more than one year of property taxes were paid in the 2022 calendar year, a separate entry must be made for each property tax year. See example 1 above.

Nebraska County Number. Enter the number assigned to the county where the parcel is located. This number is provided by the Look-up Tool or may be found on the [County Parcel ID Search](#). This number is not the same as the county number used for license plates. Do not enter the county number from a license plate.

Parcel ID Number. Enter the parcel ID number assigned by the county assessor to the parcel. This number may be found on the Real Estate Tax Statement issued by the county treasurer where the parcel is located. The parcel ID number may also be found using the Look-up Tool. Some counties use the term “property ID” rather than “parcel ID”. Parcel ID numbers assigned by Lancaster County include dashes. The parcel ID number entered on Form PTC for parcels located in Lancaster County must include the dashes. The parcel ID numbers for the other 92 counties have either 9 or 10 digits and no dashes.

Qualified Property Taxes Paid. Enter in the appropriate column the amount of qualified property taxes you paid on the parcel during the 2022 calendar year. This amount may be computed using the Look-up Tool or the taxpayer’s records. Those records include, but are not be limited to, the Real Estate Tax Statement issued by the county treasurer where the parcel is located.

Total School District and Community College Property Taxes Paid in 2022. On lines 3a and 3b enter the sum of the school district and community college property taxes paid on the parcel or parcels listed in Part B.

2022 Public High School District Codes

All taxpayers who are Nebraska residents on December 31, 2022, are required to enter the Public High School District Code on Form 1040N.

Take the following steps:

2. Find the **high school district** where you live.
3. Find the seven-digit code for your high school district.
4. Enter the **seven-digit code** for your high school district on Form 1040N.

If you fail to include your high school district code on your return, processing of your return and any refund may be delayed.
