Legislative Bill 397

New Cigarette Definition Beginning September 1, 2019

On and after September 1, 2019, the products on the top shelf will be cigarettes for the purposes of Nebraska cigarette tax. The products on the bottom shelf are cigars, and not cigarettes, and will continue to be taxed as other tobacco products.

On and after September 1, 2019, all of the products below will be cigarettes for the purposes of Nebraska cigarette tax.

This guidance document is advisory in nature but is binding on the Nebraska Department of Revenue (DOR) until amended. A guidance document does not include internal procedural documents that only affect the internal operations of DOR and does not impose additional requirements or penalties on regulated parties or include confidential information or rules and regulations made in accordance with the Administrative Procedure Act. If you believe that this guidance document imposes additional requirements or penalties on regulated parties, you may request a review of the document.

This guidance document may change with updated information or added examples. DOR recommends you do not print this document. Instead, sign up for the [subscription service](https://revenue.nebraska.gov) at revenue.nebraska.gov to get updates on your topics of interest.

On and after September 1, 2019, all of the products below are cigars, and not cigarettes, and will continue to be taxed as other tobacco products.

These photographs are provided as examples of the types of tobacco products that will be reclassified as cigarettes on and after September 1, 2019. This is not intended as a comprehensive listing of products that will be reclassified.

For product-related questions, please contact the Nebraska Department of Revenue:
