<sup>2</sup>This local subdivision overlaps into another county. The amounts of total property taxes and state aid for the subdivision are the total amounts for the local subdivision, and not just the portion in this county. To avoid double counting, these totals are only shown in the county where the local subdivision is considered headquartered. If there are zero dollars shown, the subdivision is headquartered in the county shown in parentheses.

<sup>3</sup>Total property taxes levied for school districts includes amounts levied to retire bonded indebtedness.
