

Pete Ricketts, Governor

September 2017

This Report of State Aid to Local Subdivisions for Fiscal Year 2016-2017 was prepared by the Nebraska Department of Revenue (Department) pursuant to [Neb. Rev. Stat. § 77-1704.01](#) for distribution to Nebraska taxpayers.

Section One contains a schedule for all 93 counties listing the local subdivisions receiving state aid. Each schedule includes the total amount of property taxes levied in 2016 for collection in 2017, and the amount of aid from state sources for FY 2016-2017. Only the subdivisions required by statute are listed. Total property taxes levied are total property taxes including amounts reimbursed under the homestead exemption program and the property tax credit programs. The total for each county receiving funds is listed separately on each county's schedule. State aid totals for local subdivisions that overlap into more than one county are listed on the schedule for the county in which they are headquartered.

Section Two includes a summary of state aid to local subdivisions in each county and a list of specific aid programs funded by the Legislature from state revenue sources.
