Individual Estimated Income Tax Payment Vouchers

Included in this Booklet:

Form 1040N-ES

**ELECTRONIC PAYMENT OPTIONS ARE
AVAILABLE.**

See instructions inside.

LB 970 reduced the first three tax rates in the tax rate schedule. See changes on page 6.

If your Nebraska individual income tax, after allowance of personal exemption credits, is expected to exceed withholding and other credits by \$500 or more, then estimated income tax payments may be required.

Various indexed values for the personal exemption credit, standard deduction, and other elements of the Nebraska tax calculation are included in this year's changes. You should calculate your estimated tax for 2013 in light of these changes.

Taxpayers must ensure that adequate and timely estimated payments are made in order to avoid underpayment of estimated income tax penalties.

INSTRUCTIONS

WHO MUST MAKE ESTIMATED PAYMENTS. Every resident and nonresident must make estimated income tax payments if their Nebraska income tax, after personal exemption credits, is expected to exceed withholding and other credits by \$500 or more. **If you are an employee with amounts being withheld from your earnings, you may ask your employer to withhold an additional amount for state taxes, rather than make these four estimated income tax payments.**

WHEN TO FILE. The first payment must be filed on or before April 15, 2013, and on later dates as set out below. The estimated tax may be paid in full with the first payment, or in equal installments on or before April 15, 2013, June 15, 2013, September 15, 2013, and January 15, 2014.

FISCAL YEAR TAXPAYERS. Fiscal year taxpayers must report by the 15th day of the fourth, sixth, and ninth months of the fiscal year, and the first month of the following fiscal year.

METHODS OF PAYMENT. Make checks or money orders payable to the Nebraska Department of Revenue.

Make the smart choice – pay electronically using the Department’s e-pay program or by credit card. When paying electronically, vouchers are not required.

ELECTRONIC PAYMENT OPTIONS (EFT)

Please pay by using EFT.

E-PAY (ACH DEBIT): To use e-pay (sometimes called an electronic check), visit the Department’s [website](#). This payment option is free to use, and you will receive an email confirmation for each payment. You can schedule your estimated payments up to one year in advance of having your bank account debited.

CREDIT CARD: Credit card payments are originated through Official Payments. **Eligible credit cards include VISA, MasterCard, Discover, and American Express. A convenience fee of 2.49% of the tax payment (\$1 minimum) is charged to the card you use and is paid to Official Payments.** You will be told about this fee during the transaction. Secure credit card payments can be initiated at www.officialpayments.com, or at **(800) 2PAY-TAX**. If you are making your credit card payment by telephone, you will need to provide the Nebraska Jurisdiction Code, which is 3700. At the end of your transaction, you will be given a confirmation number. Keep this for your records.

FARMERS AND RANCHERS. If at least two-thirds of your gross income for 2012 or 2013 is derived from farming, ranching, or fishing, you may pay all of your estimated tax on or before January 15, 2014. You must then pay the entire amount of the estimated tax. If you file your 2013 Nebraska Individual Income Tax Return, Form 1040N, on or before March 1, 2014, and pay the total tax due at that time, you do not need to file an estimated tax payment for 2013.

OVERPAYMENT CREDIT FROM 2012. If you had an overpayment on your 2012 Form 1040N, and elected to apply it to your 2013 estimated income tax, the amount of that overpayment may be applied in full, or in part, to any installment.

JOINT PAYMENTS. Payments of estimated income tax may be made on a married, filing jointly basis for Nebraska tax purposes. Married, filing jointly payments may not be made if the spouses are separated under a decree of either divorce or separate maintenance, or if they have different taxable years. If joint payments are made, but a joint return is not filed for the taxable year, the estimated tax for the year may be divided between spouses. A copy of a signed agreement to divide the estimated payments should be attached to each, Form 1040N. When e-filing, a letter is not required. Simply claim the agreed upon amounts on each spouse’s return.

If estimated payments have been made under a spouse’s Social Security number (SSN), and this spouse dies during the year, please indicate “deceased” on any e-filed return when prompted. On paper returns, write “DECEASED” at the top of the Form 1040N and give the date of death next to the SSN. Verify that the surviving spouse’s name and SSN are correct on Form 1040N-ES, and indicate what SSN will be used in filing a Form 1040N-ES for the next year.

CALCULATING AND MAKING YOUR PAYMENT.

List the names and SSNs in the same order on the joint voucher as you will list them on your joint return.

Complete the Estimated Income Tax Worksheet (Worksheet) to compute your 2013 estimated tax. If line 18 is less than \$500, estimated tax payments are not required, but may still be made. If 2013 federal AGI is expected to be more than \$250,000 (single), \$300,000 (married, filing jointly), \$150,000 (married, filing separately), or \$275,000 (head of household), then complete Worksheet A included in this booklet. Subtract the amount of any carryover from the 2012 Form 1040N before making your payment.

Pay by EFT or attach a check or money order to the payment voucher and mail it by the due date to:

Nebraska Department of Revenue
PO Box 98911
Lincoln, Nebraska 68509-8911

You can download the payment vouchers from our website, or include an information sheet with the following:

1. The primary SSN;
2. A notation identifying the payment as an estimated payment; and
3. The tax year to which the payment should be applied.

Make appropriate entries in your Record of Estimated Tax Payments.

You must enter your SSN (and your spouse's SSN, if applicable) on the payment vouchers where indicated. List the names and SSNs in the same order on the voucher as you will list them on your married, filing jointly return.

CHANGES IN ESTIMATED TAX. If your income increases during the year, you may be required to begin filing, or increase, estimated tax payments at the next due date.

You may use the Amended Computation Schedule below to calculate your amended estimated tax if your estimated tax substantially changes, or if your income substantially increases. When making payment by paper check, show the amended estimated tax on line 1 of the next payment voucher filed. If making payments using EFT, DO NOT file a voucher to show the change.

PENALTY FOR NOT PAYING ENOUGH ESTIMATED INCOME TAX. A penalty is imposed for underpayment of estimated tax installments. The penalty is not due if you qualify for any of the exceptions listed on the [Individual Underpayment of Estimated Tax, Form 2210N](#).

Each individual who has underpaid estimated tax must file a Form 2210N with the Nebraska Individual Income Tax Return, Form 1040N. The estimated tax is underpaid if the payments (including withholding) are not equal to at least:

1. 90% (66 2/3% for those engaged in farming, ranching, and fishing) of the tax liability for the year, after reduction by credits other than withholding or estimated payments;
2. 100% of the tax shown on the Nebraska return for the full 12-month preceding tax year, if federal AGI was \$150,000 or less; or
3. 110% (the applicable federal percentage) of the preceding year's tax reported on a Nebraska return, if 2012 federal AGI was above \$150,000. Complete the Nebraska Individual Estimated Income Tax Worksheet below. You may also owe a penalty if estimated payments are not filed in a timely manner.

The penalty does not apply if:

- You had zero tax liability for the full 12-month preceding tax year;
- You were a U.S. citizen or resident during that year; and
- Your Nebraska return for that year reported zero tax liability.

Subtract \$250,000 (single), \$300,000 (married, filing jointly), \$150,000 (married, filing separately), or \$275,000 (head of household) from your federal AGI; and

Multiply this difference by 10% (.10).

If your line 10 estimated taxable income is less than the 10% difference calculated, enter 6.84% (.0684) of line 10 income on line 3, Nebraska Estimated Tax Worksheet; otherwise, complete the additional tax calculation above.
