

2013 Public High School District Codes

All taxpayers who are Nebraska residents on December 31, 2013, are required to enter the Public High School District Code on Form 1040N.

Take the following steps:

1. On this 2013 Public High School District Codes listing, find your **county of residence**.
2. Find the **high school district** (K-12) where you live.
3. Find the seven-digit code for your high school district.
4. Enter the **seven-digit code** for your high school district on Form 1040N.

If you fail to include your high school district code on your return, processing of your return and any refund may be delayed.

High school district code information is required by law so the Nebraska Department of Education can determine state aid allocations to Nebraska's K-12 school systems.

Example: Matt and Jill live in Banner County and the Bayard 21 high school district.
