

# 2014 Public High School District Codes

**All taxpayers who are Nebraska residents on December 31, 2014, are required to enter the Public High School District Code on Form 1040N.**

Take the following steps:

1. On this 2014 Public High School District Codes listing, find your **county of residence**.
2. Find the **high school district** (K-12) where you live.
3. Find the seven-digit code for your high school district.
4. Enter the **seven-digit code** for your high school district on Form 1040N.

**If you fail to include your high school district code on your return, processing of your return and any refund may be delayed.**

High school district code information is required by law so the Nebraska Department of Education can determine state aid allocations to Nebraska's K-12 school systems.

**Example:** Matt and Jill live in Banner County and the Bayard 21 high school district.
