**Instructions**

**What's New**

**Electronic Payments.** Financial institutions that made payments exceeding \$7,000 in the prior year are required to make payments electronically. Beginning July 1, 2016, the threshold for electronic payments will be lowered to \$6,000.

**Nebraska Historic Tax Credit (NHTC).** For tax years beginning on and after January 1, 2015, financial institutions may earn a nonrefundable tax credit equal to 20% of eligible expenditures incurred for improvements to rehabilitate, preserve, or restore qualifying historically-significant real property. An application with the State Historical Preservation Officer of the Nebraska State Historical Society is required to qualify for the credit. Once the improvements to the property are completed and placed in service, a tax credit certificate is issued by the Department of Revenue after the expenditures have been reviewed and approved. Up to \$15 million will be allocated annually through 2019. A financial institution may also receive NHTCs through a transfer, sale, assignment, or distribution.

The NHTC can be claimed for the year the improvement is placed in service, and may be carried forward until fully utilized, or until December 31, 2024, whichever is earlier. Additional information on this credit is available on the Department's website.

**When to File.** A 2015 Amended Nebraska Financial Institution Tax Return, Form 1120XNF, must be filed if:

- The financial institution's net financial income or amount of deposits for tax year 2015 are changed by a state or federal regulatory agency; or
- An error was made on the financial institution's original **Nebraska Financial Institution Tax Return, Form 1120NF**, for 2015.

The 2015 Form 1120XNF can only be filed after the financial institution has filed a Form 1120NF for tax year 2015.

**Note:** An amended return claiming a refund of tax previously paid must be filed within 90 days of the date the tax was due or paid, whichever date is later; or within 90 days after receiving notification of a change in the amount of net financial income or deposits from a state or federal regulatory agency.

**Prior Years**

- Use Form 1120XNF for the tax year corresponding to the return being amended for tax years after 2000.
- Use [Form 1120XNF-3](#) to amend tax years 1993 – 2000.
- Contact the Department to obtain the appropriate form for amending a return for tax years prior to 1993.

**How to Complete Form 1120XNF-2015**

**Reminder for S Corporations.** For financial institutions organized as S corporations, if the amount of tax as originally reported on line 16 of Form 1120NF has been changed, the financial institution must provide each shareholder with an amended Statement of Nebraska Financial Institution Tax Credit, Form NFC. Clearly mark Form NFC as "AMENDED."

**Lines 1-15, Computation of Tax.** Refer to the line-by-line instructions on the [Nebraska Financial Institution Tax Return, Form 1120NF](#), for information on calculating average deposits and net income.

**Column A, Original or Adjusted Amount.** Enter the amounts shown on the original Nebraska Financial Institution Tax Return, Form 1120NF, or as later adjusted.

**Column B, Net Change.** Enter the net changes to the amounts entered in column A. All entries in column B must be explained in detail on Nebraska Schedule I (above) with supporting schedules and documents, if any.

**Column C, Correct Amount.** Enter the corrected totals after the increases or decreases shown in column B. If there are no changes, enter the amount from column A.

**Line 15, Total Nebraska Financial Institution Tax.** Subtract line 12-14 from line 11. If the result is less than zero, enter -0- on line 15.

**Line 16, Voluntary Estimated Tax Payment.** Enter the amount of any voluntary estimated tax payment previously filed using [Form 1120NF-ES](#).

**Line 17, Tax Payments.** Enter the amount of tax paid with the original return plus any additional tax paid after the original return was filed.

**Line 19, Overpayment.** Enter the amount of overpayment allowed on the original return, plus any additional overpayments allowed after the original return was filed.

**Line 21, Additional Tax Due.** If line 15 is greater than line 20, subtract the amount on line 20 from the amount on line 15 and enter the difference here.

**Line 22, Penalty.** If the original return was not filed by its due date and line 21 indicates a tax due, compute a penalty for failure to file in a timely manner as follows:

- Compute the number of months or fraction of a month from the due date of the original return to the date the amended return is filed;
- Multiply the amount due on line 20 by 5% per month or fraction of a month as determined above; and
- Limit the total penalty to 25% of the amount on line 21.

Additional penalties may be imposed for:

- Failure to file a return and pay tax due on or before the due date;
- Failure to file an Amended Nebraska Financial Institution Tax Return to report changes made to the institution's amount of deposits or net financial income;
- Preparing or filing a fraudulent return; or
- Understatement of deposits or net income before income taxes and extraordinary items on a financial institution tax return. Filing a false or fraudulent Nebraska return is subject to penalty, even if the amounts reported are taken from your federal return or reports filed with state or federal regulatory agencies.

**Line 23, Interest Due.** Compute interest at the statutory rate of 3% ([Revenue Ruling 99-14-2](#)) on the additional tax due (line 21) from the original due date to the date the tax is paid. Interest is not credited for an overpayment of tax if the refund is issued to the taxpayer within 90 days after the last date prescribed for filing the return.

**Line 24, Balance Due.** Payment of tax, penalty, and interest due may be made electronically.

**Electronic Payment.** Financial institutions that made tax payments exceeding \$7,000 in the prior year are required to make all payments [electronically](#). Beginning July 1, 2016, the threshold for electronic payments will be lowered to \$6,000. The threshold is scheduled to be lowered each July until 2017 when the threshold will be set at \$5,000.

**E-pay (Nebraska e-pay, ACH Credit, Tele-pay).** Pay the amount due electronically. It's secure, easy, and fast. Details on electronic payments can be found in the "Make a Payment" section on the Department's [website](#).

**Credit Card.** Secure credit card payments can be initiated through Official Payments at [officialpayments.com](#), or via telephone at 800-2PAY-TAX. Eligible credit cards include American Express, Discover, MasterCard, and VISA. A convenience fee (2.49% of the tax payment, \$1 minimum) will be charged to the card you use. This fee is paid to the credit card vendor, not the State, and will appear on your credit card statement separately from the tax payment.

**Check or Money Order.** Include a check or money order payment to the Nebraska Department of Revenue with your return. Checks written to the Department may be presented for payment electronically.

**Line 25, Refund.** The Department recommends having any refund on line 25 directly deposited to your bank account. See line 26a-d instructions below.
