**Instructions**

Use this worksheet to compute your Nebraska net operating loss (NOL) for tax years 1988 and later that are available for carryback or carryforward. If you do not have a federal net operating loss, you do not have a Nebraska net operating loss under Nebraska law and should not complete this form. See [Neb. Rev. Stat. § 77-2716\(2\)](#). This worksheet **must** be attached to the Amended Nebraska Individual Income Tax Return, Form 1040XN, on which an individual claims a carryback of a NOL incurred during tax years 1988 and later.

It must also be attached to the Nebraska Individual Income Tax Return, Form 1040N, on which a deduction is claimed for a carryforward of a net operating loss. For tax years 1991 through 1996, special instructions are provided below for lines 22 and 25.

For more information, see [IRS Regulation 1.172-3](#), [IRS Publication 536, Net Operating Losses](#), and Neb. Rev. Stat. § 77-2716(2) and [Regulation 22-005](#).
