CERTIFICATION ADVISORY BOARD**

**OCTOBER 16, 2018
Telephone Conference**

Call To Order:

Meeting was called to order at 10:03 a.m. by Cyndy Hermsen.

Roll Call:

Present: Jeff Hackerott, Rose Nelson, Pat Sandberg, Cyndy Hermsen and Ruth Sorensen.

Absent: Dottie Bartels and Barb Oswald

Others Present: None

Proceedings:

Announcement of the open meeting act were read and made available in the room.

A copy of the draft educational calendar was emailed to all members on September 24, 2018 for their review and discussion at today's meeting.

Pat Sandberg motioned to accept the minutes from the August meeting as submitted and seconded by Rose Nelson.

Items of discussion: All committee members were pleased with the 2019 classes that are tentatively scheduled. Rose asked about offering USAP classes on future educational calendars, possibly starting in 2020. Cyndy had reached out to Brad Moore earlier and had not yet heard back from him and will reach out to him and others that teach USAP in Nebraska. Pat asked about IAAO 151 full two day class being offered in the future also.

Jeff wanted to make sure IAAO 101 remains on the 2019 calendar with the understanding it is dependent on the number of participants. With many new assessors coming in we feel confident that participation will be successful. Pat added that having IAAO 101 in 2019 and waiting until 2020 for IAAO 300 would be helpful for counties budgets. She also encouraged consideration for more classes be considered in Broken Bow, currently we have one of the Grading & Conditioning classes on June 11-12 scheduled there for 2019.

Pat and Rose both feel that the Manufactured vs Modular vs Stick Homes class will be very good and much needed class. They thought it could be offered more than once, however it was noted that the class location is limited to the communities where construction of the homes are. Cyndy offered to send the latest list PAD has of those communities after the meeting. Ruth added that we will be looking at the northeast part of that state for classes as well if we continue to have positive participation.

Cyndy will work on finalizing the details for all venues.

Other items of discussion:

It was asked if they liked how Ruth attached information of upcoming IAAO webinars to her monthly email and if she should continue to do this. All agreed that it was a great idea and to continue.

Since the 2019 Education calendar was accepted it will be updated with the final information to the PAD website

Pat suggested that we meet in December at the NACO conference in Kearney. All agreed that this would be a good time to go over all the final arrangements discussed today.

Pat moved adjourn the meeting: Jeff seconded.

Meeting adjourned at 10:23 a.m.
