

Local Sales and Use Tax Rates

Effective October 1, 2022

- **Dakota County** and **Gage County** each impose a tax rate of **0.5%**. See the County Sales and Use Tax Rates section at the end of this listing for information on how these counties are treated differently. The Total Rate column has an * for those municipalities in Gage County that have an additional county tax added in the total rate.

- FIPS Code = Federal Information Processing Standard code used by Streamlined Sales Tax
